1. Course Objectives- The aim of this course is to equip students with a basic knowledge of Hebrew grammar necessary for the translation and exegesis of the Old Testament. After completing this course, students will be able to read most Hebrew prose passages with the help of a Hebrew lexicon. This course objective is consistent with Article #1 of the Gordon-Conwell Theological Seminary Mission Statement which states: “To encourage students to become knowledgeable of God's inerrant Word, competent in its interpretation, proclamation and application in the contemporary world.”

2. Course Requirements- Quizzes-30%, Midterm 30%, Final Exam 40%.
In order to complete this class successfully you should plan to devote no less than 15 hours of study time each week for this class. Some students will need more time, few will need less. You must budget time to read the textbook, memorize vocabulary and diagnostics and to do your homework. Remember, the word of God says- “I can do all things through Christ who strengthens me (Phil 4:13 NKJV).” That includes learning Hebrew!
