Welcome to Hebrew I!

Course Objectives—The aim of this course is to equip students with a basic knowledge of Hebrew grammar necessary for the translation and exegesis of the Old Testament. After completing this course, students will be able to read most Hebrew prose passages with the help of a Hebrew lexicon. This course objective is consistent with Article #1 of the Gordon-Conwell Theological Seminary Mission Statement, which states: “To encourage students to become knowledgeable of God's inerrant Word, competent in its interpretation, proclamation and application in the contemporary world.”

Course Requirements
- Weekly quizzes-30%, a Midterm-30%, and a Final Exam-40%. Regular class attendance and TF attendance is expected. Students who miss two or more sessions will be penalized an automatic 10 pt. deduction on their next quiz. Any student that misses three or more classes cannot take this course for credit. Also, if you plan to take an exegesis
course after Hebrew I and Hebrew II you should aim to pass Hebrew I and Hebrew II with at least a “C” average.
