

DOCTOR OF MINISTRY & OCKENGA INSTITUTE
GORDON CONWELL
THEOLOGICAL SEMINARY

Dear Endorser,

Thank you for considering your co-laborer's request as they explore the transformative possibility of our Doctor of Ministry degree.

A DMin student needs the support of their ministry context to succeed in this journey. Your letter of endorsement shares with our admissions team the pledge of support you are making, on behalf of the applicant's ministry context, should the applicant become a student. This includes support while your leader:

- attends residencies
- implements projects focusing on new ideas gained at residencies
- grows in ministry strengths
- maintains healthy boundaries between personal discipleship, family, work, and studies

We ask that you write a few sentences expressing your endorsement, print it on letterhead, sign, and submit it to the Doctor of Ministry Office directly. My team can receive this letter through the mail, fax, or as a .pdf email attachment.

Thank you for supporting the further training of this applicant for service to God and His people. Please contact me with any questions 978-646-4163 or scoons@gordonconwell.edu.

Grace and Peace,

Sara E. Coons, M.Div.
Doctor of Ministry Program Admissions Coordinator
