

Team Ministry Grant

The Team Ministry Grant is a need-based scholarship available to qualified married couples pursuing the same level of seminary studies together.

- If the married couple enrolls together in the same track, the Team Ministry Grant will cover 50% of one of the two. One student pays full tuition.
- If the spouses enroll in two different tracks, the first to enroll **pays full tuition until the second enrolls.**
 - The second spouse must enroll in the same or next academic year.
- **Once the second spouse enrolls,** the Team Ministry Grant will cover 50% of the first enrolled spouse's remaining tuition. The second spouse to enroll pays full tuition.

- Funds apply to tuition only.
- This is not available to just anyone regardless of income level. The couple has to fill out the FAFSA forms with the Financial Aid office, showing true financial need.
- The grant is applied in only those billing quarters in which both spouses are in overlapping tracks or both are in the same track. It is not applied in any quarter in which one spouse is in a track but the other has either completed or has not yet begun.
