2016-2017 FINANCIAL AID PROCESS AND INFORMATION
BOSTON CAMPUS
(United States Citizen or Eligible Non-Citizen)

FEDERAL DIRECT STUDENT LOAN INFORMATION
Make sure you are eligible before applying. You must be:
- A U.S. citizen or be a Permanent Resident or Green Card holder.
- Accepted into a Masters level degree program (provisionally accepted, visiting students, diploma, certificate and DMIN students are NOT eligible).
- Must be registered as a half-time student (6 credits or more within the semester you are applying for a loan).
- Must not be in default on a prior student loan.

• Types of Direct Federal Student Loans for Graduate Students enrolled in a Master’s Degree Program-
  - **Unsubsidized Direct Loan** - 5.84% interest rate (determined by Dept. of Ed. yearly) and lender fee of 1.073% (deducted from the loan amount requested). Available to students who have completed both the FAFSA and GCTS form. To be eligible, a student must be attending at least half-time (6 or more credits per semester) and accepted in a qualifying degree seeking program (see eligibility criteria above). Repayment of this loan will begin after a 6 month grace period which is determined from the last day of classes the student has attended at least half-time. However, interest begins to accrue immediately after disbursement. The student has the option when e-signing their Direct Unsubsidized Loan Master Promissory Note (MPN) online to decide whether to pay the interest monthly or to let it capitalize (accumulate) on top of their principle amount. For more information, go to: [http://studentaid.ed.gov/types/loans/subsidized-and-unsubsidized](http://studentaid.ed.gov/types/loans/subsidized-and-unsubsidized).
  - **GradPlus Direct Loan** - 6.84% interest rate (determined by Dept. of Ed. yearly) and lender fee of 4.272% (deducted from the loan amount requested). To borrow through this loan program, the student must be eligible for federal aid and must pass a basic credit check, performed by the Dept. of Ed. Students may borrow up to the cost of attendance less all other financial aid. For more information, go to: [http://studentaid.ed.gov/types/loans/plus](http://studentaid.ed.gov/types/loans/plus).

• How to apply-
  - Complete the FAFSA online (this is the Federal Student Aid form designed and processed by the Dept. of Education). The Financial Aid Office uploads these processed forms for review.
  - Complete the GCTS financial aid application and submit it to the Financial Aid Office at the S. Hamilton Campus. It may be emailed, faxed or mailed (see address at the top of the page).
  - If any other documentation is needed the Financial Aid Office will communicate this to you.
  - A Financial Aid Award Letter will be emailed to you after a review of your completed Financial Aid Application which will include a Federal Student loan eligibility amount. The second page of the Award Letter will be the Award Acceptance Statement which must be sent back to the Financial Aid Office to let us know what you are accepting in loan, if any.
  - New borrowers at GCTS must e-sign (using your FAFSA ID and password) a new MPN and complete a Loan Counseling Tutorial. Both are online at [www.studentloans.gov](http://www.studentloans.gov) and will take about 15 minutes each. If you are a new borrower at GCTS, instructions to do both will be on your Award Letter.
  - Additional note: Federal Student Loans must be processed within the semester that you are eligible.

• Satisfactory Academic Progress – In order to comply with Federal Regulations regarding the awarding and disbursement of federal student loans, GCTS must ensure that each student is making satisfactory academic progress before loan funds may be received. Satisfactory academic progress is defined as: 1) maintaining a GPA consistent with or higher than the minimum required for the student’s degree program, and 2) maintaining a successful course completion rate of 67% or higher for all courses attempted.
APPLICATION DUE DATE AND PROCEDURE

• **Application Due Date** – In order to ensure that student loan funds are available to pay tuition costs when due, we strongly urge that your Financial Aid Application be completed by July 15 prior to the start of an academic year. However, we will review applications and process loan requests on an ongoing basis throughout the academic year.

• **Application Procedure** – No action will be taken on an application until the Financial Aid Office has received all requested information and the student has been accepted for admission to a degree program. Complete the following steps to apply for federal student aid:

**STEP 1** - Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. If you completed a FAFSA previously, you will need your FSA ID and password with the U.S. Department of Education, allowing you to access a Renewal FAFSA on the web. If you have never completed the FAFSA electronically before, you must set up a FSA ID and password at [http://studentaid.ed.gov/fafsa](http://studentaid.ed.gov/fafsa). If it is necessary for you to file the paper FAFSA because you cannot access the web, you can obtain the paper form by calling the U.S. Department of Education at 800-433-3243.

**FAFSA CODE**: G09747

**STEP 2** - Complete the 2016-2017 GORDON-CONWELL THEOLOGICAL SEMINARY BOSTON APPLICATION.

• **Renewal of Aid** – Your financial aid award and eligibility is valid for one academic year only, beginning with Fall 2016 through Summer 2017. Students must reapply (STEP 1 and STEP 2) for each academic year.

REQUIREMENTS FOR LOAN DISBURSEMENT:

• **Mandatory Direct Unsubsidized Loan Entrance Counseling and Direct Unsubsidized Loan MPN**
  First time borrowers at GCTS must complete both the Direct Unsubsidized Loan Entrance Counseling Tutorial and Direct Unsubsidized Loan MPN. You will need your FSA ID and password to access your account to complete the Counseling and MPN at [www.studentloans.gov](http://www.studentloans.gov).

• **Loan Disbursement** – When awarded for the academic year, loan proceeds are generally distributed in two equal portions; one disbursement to be applied to the Fall Semester charges and the second to the Spring Semester provided a signed MPN, Entrance Counseling and Award Acceptance Statement have been completed. Fall Direct Loans and Spring Direct Loans are disbursed 2-3 weeks after the semester begins. To ensure the availability of funds by the semester disbursement date, it is recommended that completed applications (FAFSA & GCTS application form) be received by July 15th for the Fall Semester. If starting in the Spring Semester, completed applications are requested by January 15th. (However, eligible requests may be processed any time during a semester you are registered at least half-time.)

SUMMER LOAN:

• **Summer Loan Requests** – Financial Aid Awards are generally for Fall and Spring semesters. Students are encouraged to plan for and stretch aid received between Fall and Spring semesters to cover Summer tuition costs. However, if you need a Summer Loan (you must be registered for at least 6 credits), please contact the Financial Aid Office after April 15th to see what eligibility you may have remaining for the current academic year. If there is remaining eligibility, the Summer Loan request is considered a trailer to the school year. If you have already maxed out loan eligibility for the academic year, you may complete the Financial Aid Application (FAFSA and GCTS form) for the next academic year. The Summer Loan would then be a header for the upcoming academic year. Remember: You must be enrolled in at least 6 credits in the Summer semester to be eligible to receive a SummerLoan.

DEBT POLICY:

• **Total Educational Indebtedness Policy** - The seminary sets a limit of $40,000 for individual student educational indebtedness, including debt incurred at previous schools you have attended. A student nearing or exceeding that debt mark will be notified via email. They will be required to write a letter to The Financial Aid Debt Committee who will review your letter addressing your understanding of your current debt level, projected level and plans for repayment.

IN-SCHOOL DEFERMENT:

• **Educational Loan Deferment Forms** – The GCTS Registration Office sends information to a Clearinghouse where lenders retrieve information on their borrower’s current school registration status. The Registration Office submits this information to the Clearinghouse after the last day for add/drop for the FALL and SPRING semesters, BUT NOT for the Summer sessions. If your lender needs an in-school deferment form during the Summer, the Registration Office will process deferment forms upon request. It is the responsibility of the student to request the necessary form(s) from their lender(s) and to ask the Registration Office at their campus to complete and submit them.

These may include, but are not limited to all applicable tuition, fees and book charges. If student loan funds I receive create a credit balance on my account, I give Gordon-Conwell Theological Seminary permission to hold those funds for the current financial aid award year for upcoming terms or semesters, unless I specifically request a refund of excess funds for other educational related expenses. I understand that if a credit balance should exist on my account at the end of the financial aid award year, those funds will be released to me, unless otherwise specified.
