

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

PHILIPPIANS 1:3-6

"The Partnership Program gives me the opportunity to form a ministry support team that commits to journeying alongside me during my seminary experience through prayer, support and encouragement. I am learning the biblical principles of stewardship; receiving biblical, theological and pastoral training; and being equipped with practical ministry and fundraising skills."

MOLLIE TRAGER, MASTER OF DIVINITY AND MASTER OF ARTS IN COUNSELING '16

"The Kern/Partnership scholarship was God's providential means of enabling me to pursue his will and call for my life. Because of it, I will be better equipped for pastoral ministry and all its complicated intellectual and spiritual challenges. I'm deeply grateful!"

FADY GHOBRIAL, MASTER OF DIVINITY '15

PARTNER INFORMATION

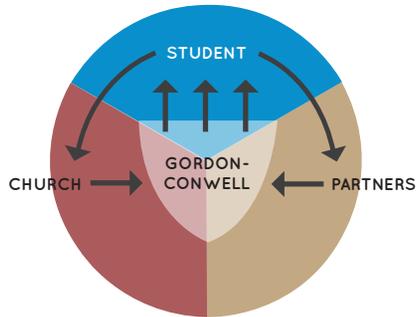

The Partnership Program

The Partnership Program offers students one of the seminary's premier scholarships, as well as the opportunity for others to share in the privilege of sending them and staying connected with them while they are in seminary.

Program participants receive a **full-tuition scholarship**, and stewardship education they can use for a lifetime. As a result, they secure a world-class theological education and enter ministry less burdened by educational debt. In addition, they gain practical ministry skills, receive education and experience in applying biblical stewardship principles, and participate in discipleship training. All of these components are important for future service in numerous areas of Christian leadership.

While students prepare academically and spiritually for future Christian service, you have the opportunity to share in their seminary experience through prayer and financial support.

Our hope is that with your help, students will emerge from the program prepared for a lifetime of fruitful ministry, surrounded by a network of support, equipped with fundraising and stewardship skills and less burdened by debt.
