Dear Gordon-Conwell employee or student,

Gordon-Conwell Theological Seminary has implemented the Send-Word-Now (SWN) Emergency Alert System to expand and enhance its emergency notification methods. In the event of an emergency, the Send-Word-Now Emergency Alert Notification System may be used to provide pertinent information and instructions to Gordon-Conwell Theological Seminary students, faculty and staff through voice, text messaging and/or E-mail. Gordon-Conwell Theological Seminary uses the Send-Word-Now Emergency Alert Notification Service which is a web-based mass notification system that sends emergency messages instantly and simultaneously to registered phones, mobile phones, wireless devices, text (SMS) messages and e-mail addresses.

Please complete the following information to be added to the Campus Emergency Alert Notification system:

(Please PRINT clearly)

Full name (First) ____________________________ (Last) ____________________________

Employee or student seminary ID number: _______________________________________

Email address: ________________________________________________________________

Please circle one: FACULTY       STAFF       STUDENT

You will be sent a “self-update” email from Send-Word-Now (SWN) after the above information has been entered into the SWN system by Campus Safety. Please “click” on link provided in the email to “add” any additional contact information (phone numbers, text numbers and other email addresses) you wish to include in the system to notify you when there is an alert to the campus community.

Thank you!
