Enrolling Now! for 2012-2013

Contact Jeanne Chapell, GCNS Director to set-up a visit of the school.

At the visit you will be given an enrollment packet which contains an application and other materials.

After your visit if you decide to enroll your child, return the application with the $40 application fee.

You will receive an Acceptance letter confirming your child's enrollment and with a commitment card to accept the slot.

You will have 2 weeks to return the form with a deposit. The deposit is part of the tuition but is non-refundable.

We look forward to your visit!
