A Brief Exploration of the Online Registration Filter

Enter the department code of the courses you're looking for. "NT," for instance, or "CO/WM."

The course number, like "500" for OT500.

Classroom courses do not use the "Type" field.

HA? HB? HF? Enter a section here to narrow your results.

When selecting specific days or times, be sure to click that "Add" button over there before applying the filter.

The filter will default to your current campus, but you don't have to keep it that way.

When selecting specific days or times, be sure to click that "Add" button over there before applying the filter.

The filter will default to your current campus, but you don't have to keep it that way.

If you filter incorrectly, don't hit your browser's "Back" button. Just click "Show Filter" and try again.
