2011-2012

Welcome to Gordon-Conwell

We hope this booklet will provide useful information about Boston's North Shore. Many other resources about the area are available. Be sure to consult the bulletin boards at the seminary's Kerr Building near the mailroom and at Goddard Library. Seek out students, staff, your mailbox, local libraries and any smiling faces you see at the seminary.

Because it's our desire to provide the most accurate information we have available, please contact us with any updated information and/or to suggest additions or modifications to this guide.
