

M.Div./Ordained Women's Fellowship and Mentoring

We know that women who are serving as pastors, chaplains, and in other ministry roles have a unique set of gifts, challenges and experiences—and many of these are shared by female students who are currently preparing for ministry.

We do not have much more information yet, as this group is still in its formative stage, but it is particularly for Gordon-Conwell alumnae who were in the M.Div. program as students, or who graduated with other degrees but serve or served in ordained ministries of any kind. We hold these criteria loosely, though, so if you think this group is a fit for you it probably is!

The group meets via Zoom currently for fellowship, and will soon begin offering current female students a variety of resources and mentoring as participants' time allows. We'd love to have you join us!
