

reaching the ends of the earth through global gateway cities

Central Asian Research Intern Information

Join us as we seek to lay the foundation for missionary teams through Field Research that will help assist new team leaders, team members and volunteers in implementing effective strategies for reaching Central Asian peoples who have migrated into Metro New York / North Jersey. *Research Interns will help us lay the groundwork for mobilizing teams to the area to plant churches among these communities!* You will be mentored by an experienced missionary and will be equipped in the needed research skills and tools, as well as basic evangelism training. That being said, though, a self-motivated, self-starter will do best in this role!

Length of Assignment: Summer or Fall Semester

Financial Details:

Housing:	\$500/month (for a single)
Transportation:	\$200/month <ul style="list-style-type: none">• <u>If based in NYC</u> - \$132/month (unlimited Metro Card) / + \$60/month (NJ Transit)• <u>If based in NJ</u> - Need a car, but transportation cost would be similar.
Food/Misc.:	\$600/month
Total:	\$1300/month (approx.)

Transportation: NYC-based Interns will mostly use the Metro and NJ Transit System. NJ-based Interns will need to have their own car, but will also use the transit systems some.

Health Considerations: You will be doing a lot of walking (in the heat during the summer), so you must be in good physical condition.

Job Description

- Receive research and evangelism training
- Raise financial support through your church or supporting organization to cover the length of the assignment
- Conduct various levels of research (bibliographic, demographic, & field) on assigned people group
- Map *points of interest* and *places of engagement* for assigned people group
- Assist in facilitating and training short-term teams in field research.
- Compile all research into a helpful document for long-term missionary teams
- Participate in team meetings
