Veteran Checklist

Thank you for your interest in Gordon-Conwell! We value the service that you or your family member(s) have performed and are eager to assist you in your effort to pursue seminary studies. Use this checklist to perform the necessary tasks required to be eligible to register for courses and apply your benefits accordingly. Visit the GCTS VA webpage to access links to online resources.

What We Do (School Certifying Officials- see contact information below)
School Certifying Officials (SCOs) certify your enrollment to the VA each term you are enrolled, reporting term dates, credit hours, full- or part-time status, tuition, and fees. The VA uses this information to disburse books and supply stipends, tuition and fee amounts, and housing allowance. The SCO must also notify the VA of changes in enrollment.

What You Do
- **Apply** for admission to the Hamilton or Boston campus. Be sure to declare yourself as a veteran or dependent if you plan to use benefits to cover tuition and fees.
- **Apply** for benefits online here: [https://www.vets.gov/education/apply/](https://www.vets.gov/education/apply/).
- **Submit** to the SCO a copy of your CoE (Certificate of Eligibility) or printout of your WAVE Benefits or eBenefits Education page.
- Tuition Assistance students: see “Tuition Assistance” below.
- **Visit** the GCTS Financial Aid webpage. Apply for financial aid if needed by completing a FAFSA (Free Application for Federal Student Assistance). Make an appointment by calling the Financial Aid Office (978-646-4018) or emailing finaid@gcts.edu to discuss state and federal aid possibilities, scholarships, and/or payment plans if your military benefit coverage is less than 100 percent, or if you will soon exhaust military benefits.
- **Attend** Orientation to receive academic advising and complete tasks required for registration.
- **Schedule** a personal academic advising appointment with the registrar to discuss course registration, degree requirements, transfer credit, and to plan your degree program.
- **Register** & request certification: register online for courses, and contact your SCO to request certification for the term.

Know Your Responsibilities
- **Contact** your SCO before the start of each term to request enrollment certification.
- **Notify** your SCO if you add/drop/withdraw from a course, take a leave of absence or withdraw from the school, or change your personal information (mailing address, phone). If you drop or withdraw from a course, you may be required to repay any VA/DoD money you received for these courses.
- **Register** for courses required by your degree program; only these can be certified to the VA or covered by Tuition Assistance.
- **Notify** your SCO if you encounter personal issues that impede your ability to complete your studies satisfactorily or by the academic deadlines. The sooner we know, the more proactive we can be with recommendations.
- **Understand** the impact of credit hours on certification enrollment (Chapter 33): housing benefits are distributed based on the level of enrollment you choose each semester (credit hours=ratio of pursuit). Be aware that the same number of months of benefit are used whether you are a full- or part-time student. Check current Student Handbook for status definitions.
