# Scholarship Policies for Students Accepting the **MICHAEL HAYNES Scholarship for 2019-2020**

The intent of the Michael Haynes Scholarship Program is to assist students in completing a degree at Gordon-Conwell Theological Seminary.

## **Eligibility**

1. All Master's degree programs at the Hamilton campus are eligible for this scholarship. Recipients receive \$800 per 3-credit, full tuition course.
2. Students must be full-time (taking a minimum of 7 credits) in the fall and spring semesters.
3. Student fees, fee-based courses, and courses not required for your degree are not covered in this program.

## **Duration and Class Load**

1. To receive the scholarship for any given fall or spring semester, you must be registered for at least 7 credits (excluding official audits) for that semester.
2. You may remain in the scholarship program for the duration of your degree (as determined by the Registrar).
3. Note that a student is eligible for federal loan funds and deferment of prior loans only for the number of courses required to complete the degree program.

## **Billing**

1. Students will be charged on a per-course basis and then credited their scholarship amount for each course.
2. Fees and fee-based courses are not covered by the scholarship.
3. There will be no refund for dropped courses other than what is required by the government for student loan moneys.
4. Recipients who drop a 3-credit course(s) during the refund period will lose 100% of the scholarship for that course(s) and will be required to pay the remaining balance due.

## **Remaining in and Withdrawing from the Scholarship Program**

1. You must renew the scholarship each year in writing (for those currently on the scholarship, you will be sent a renewal form well in advance from the financial aid office).
2. The last day to add classes for the fall or spring semesters (see catalog for dates) is the **last day to withdraw from or enroll in the scholarship program** for that billing period (see above).

3. If you take a leave of absence (are not enrolled in any classes for up to one year), you must petition the Scholarship Committee for approval in order to receive the Haynes Scholarship upon re-enrollment.
4. If you are placed on academic probation for a second semester, you risk forfeiting the scholarship beginning that semester.

### **Associated Study Opportunities**

1. Courses taken at other institutions listed in the "Associated Study Opportunities" section of the catalog will be considered external study options. These courses will not count towards loan eligibility and scholarship funds will not be available for these courses. If you decide to take classes at these institutions, your Scholarship will not cover any of the tuition for those courses.
2. Please inquire with the Financial Aid Office regarding courses taken at Jerusalem University College and National Capital Semester for Seminarians under Gordon-Conwell's agreement with those institutions.

*NOTE: As a recipient of Gordon-Conwell financial aid, we ask that you would be willing to volunteer ten hours of service to the Admissions or Development offices throughout each academic year, if requested to do so. This may include talking with prospective students or donors or other similar duties.*
