However, the right to make whatever changes may be deemed necessary at any time is specifically reserved.

As reflected in the *Student Handbook*, Gordon-Conwell takes seriously our role in helping students to be prepared as whole persons who are called to various forms of ministry in God's world. We extend a warm welcome to new and returning students who are here from around the United States and the globe. May God grant us all his grace and mercy as we encourage one another to seek first His kingdom and His righteousness, trusting that all that is needed to accomplish His purposes He will provide!

INTRODUCTION

History of Gordon-Conwell

Gordon-Conwell Theological Seminary has a rich heritage. Our roots are found in two institutions, which have long provided evangelical leadership for the Christian church in a variety of ministries. One institution was founded in 1884 by Russell Conwell, a Baptist minister in Philadelphia. The school later developed into the well-known Temple University. Conwell School of Theology functioned as a unit of Temple University between the years 1960–1969. Gordon Divinity School, on the other hand, grew out of the Boston Missionary Training School, which was established in 1889 by a group of ministers who had a deep concern for missions abroad and in New England's urban centers. Upon the death of the Rev. A.J. Gordon, prominent Baptist minister and founding leader, the institution was given his name.

In 1969, Conwell School of Theology and Gordon Divinity School united through the initiative of Rev. Billy Graham, Dr. Harold John Ockenga, and J. Howard Pew. Dr. Ockenga became the first president of this new institution and continued to give leadership to the seminary until his retirement in 1979. Dr. Robert E. Cooley was appointed the second president of the seminary and served from 1981–1997. Gordon-Conwell's third president, Dr. Walter C. Kaiser, Jr., provided nine years of dedicated service from 1997–2006. Dr. Kaiser was followed briefly by Dr. James Emery White. Dr. Haddon W. Robinson was appointed interim president in May 2007 and was succeeded by Dr. Dennis P. Hollinger in August 2008. Dr. Hollinger retired on June 30, 2019, and was succeeded by Dr. Scott W. Sunquist on July 1, 2019.

The purpose of the seminary is to equip persons for leadership in a variety of ministries in Christ's name. The times in which we live demand Christian workers who have an unshakable conviction regarding the authority and trustworthiness of Scripture, a sure grasp of the responsibilities of ministry, and a firm sense of calling to be God's servants in the world. Toward these ends, the seminary currently structures its degree programs: the Master of Arts in Counseling, Master of Arts in Christian Counseling, Master of Arts in Global Leadership, Master of Arts in Christian Ministries, Master of Arts in Theological Studies, Master of Divinity, Master of Theology, and the Doctor of Ministry. The seminary offers this variety of training programs because contemporary ministry requires specialized studies and skills.

The Lord has prospered this institution with trustees who are firm in their witness and support, faculty members widely recognized for their academic acumen and pastoral emphasis, a skilled group of staff members known among us for their dedication and competence, and a large student body whose calling and enthusiasm strongly benefit the school. More than 11,000 alumni have graduated from our institution and serve Christ throughout the world.

With the Apostle John we say, “This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all. If we claim to have fellowship with him yet walk in the darkness, we lie and do not live by the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin.” (1 John 1:5-7)

PRESIDENT'S MESSAGE

Welcome to the community that is known as Gordon-Conwell Theological Seminary. As you probably know, we are a Seminary that is both northern (Hamilton, MA and Boston, MA) and southern (Charlotte, NC and Jacksonville, FL), both traditional and cohort-based, in-person and online, both urban and rural. We are a diverse community of Christians committed to the best in academic scholarship in service of God's Kingdom.

In my months before coming into the presidency, I listened to all of the faculty and many adjunct faculty members, as well as most of the staff on four campuses and many of the alumni. What is it that makes Gordon-Conwell special? Here, I list the main characteristics that were mentioned by most people:

- Pervasive and respectful study of the Bible — all the Bible
- Commitment to God's global mission — for all of us
- Diversity of evangelicalism and diversity of cultures and peoples
- Renewal and planting of new churches in North America
- Renewal of the church through the unity of Christians
- High academic standards and deep piety

We trust that you and your ministry will benefit greatly from your involvement in such a Seminary. Our core commitments revolve around the saving work of Jesus Christ and the Holy Scriptures that point to Him and his work. Our common concern is that God's mission be carried out in both renewal of churches in the West and reaching the unreached in the rest. We trust that you will grow in humility and gentleness even as you grow in wisdom and knowledge. If this happens, we can feel that we have carried out our duties faithfully.

We are aware that most students today are studying while they are working, many are in the midst of ministry while they are studying for ministry. Knowing this, we are trying to make theological education available in multiple ways using technology and creative teaching methods. We also hope that you will learn from others in your classes, as well as from the faculty and from course resources.

May God bless richly your studies at Gordon-Conwell Theological Seminary!

Scott W. Sunquist

President and Professor of Missiology

COMMUNITY LIFE AT GORDON-CONWELL

Community is the soil in which humans grow and develop. At Gordon-Conwell, our community stems from the premise that growth and development are shaped by our surroundings and that a valuable part of the Seminary learning experience is spent outside the classroom. We believe that relational ministry is at the heart of the gospel and that all of us play a role in cultivating authentic human connection within the context of a safe living/learning community. With this in mind, we have provided a framework for our Christ-centered learning community. The *Community Life Statement*, below, guides our life together.

Community Life Statement

Our community life at Gordon-Conwell is bounded and illumined by Scripture. We recognize the unique calling we have as an institution of theological education and seek to live faithfully to our mission of forming women and men to serve the global church. We seek to be a thoughtful, loving, and Christ-centered community of global discipleship, whether in-person or in-digital spaces. As such, the following are our commitments to each other for the sake of our love for Christ, and for our sanctification and witness as we seek to thrive and flourish in this place.

1. We affirm that the Scriptures of the Old and New Testaments are the ultimate guide for our values, attitudes, and behaviors in all relationships. Our statement of faith provides our common commitment to Scripture in [What We Believe](#).
2. We will foster the development of spiritual maturity by deepening a personal relationship with Jesus and through participating in corporate worship and prayer and other communal activities.
3. We will keep the unity of the Spirit through the bond of peace, and in gentleness, patience, and humility; we will accept one another in love.
4. We will encourage one another to mature in Christ-likeness by empathetically speaking the truth in love in all areas of our common life.
5. We will value our families, attending to their emotional, spiritual, and physical health and well-being, as well as our own. We will affirm the full value of singleness alongside marriage, childless alongside children; and we will resist actions that threaten these values, such as unaddressed addictions, domestic abuse, and divorce.
6. We will respect and encourage each person's uniqueness in Christ, which includes our diversity of denomination, race, culture, personality, experience, gifts, and goals.

7. We will each become involved individually in a local church and ministering to spiritual and social needs within and beyond our own community. We will practice hospitality and regular rhythms of rest and worship.
8. We hold to a biblical standard for human flourishing and thus will leave behind all behaviors and desires Scripture calls sin, such as gossip, falsehood, stealing, drunkenness, racism, violence, an unforgiving spirit, and sexual immorality of all types, such as, by example only, pornography, and any sexual activities outside of the covenant of marriage between one man and one woman, including premarital intercourse and adultery.
9. We will seek justice, rooted in an understanding that we, as men and women created in the Imago Dei, will treat each other with respect and love without regard to academic abilities, socio-economic status, race, ethnicity, nationality, age, disability status, or any other God-ordained distinction. Injustice and prejudice have no place at Gordon-Conwell Theological Seminary.
10. We believe where conflict or sin occurs in the Gordon-Conwell community, a biblical process, such as stated in Matthew 18:15-20, should be followed to seek correction, forgiveness, restitution, and reconciliation. We will seek truth and peace in love.
11. We will seek to practice a humble attitude of mutual submission according to the mind of Christ, recognizing that at times our personal freedoms must be put aside for the sake of others' conscience and the good of the community. We will do so joyfully.
12. We will seek to encourage the exercise of such spiritual attributes as love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Whether we are physically present or in digital spaces, we intend to love our neighbors well.

The Board of Trustees is the final arbiter with respect to determining what is in conformity with the Community Standards. Approved May 2021.

Theology of Diversity, Inclusion, and Equity

As a Christian learning community whose mission is to prepare men and women for ministry, we have a charge *“to work with churches towards the maturing of students so that their experiential knowledge of God in Christ is evidenced in their character, outlook, conduct, relationships, and involvement in society.”* In this work, we are guided by the following theological understanding of diversity, inclusion and equity. The foundation for our understanding of diversity as an essential element in Divine unity is: creation, the Trinity, the Gospel (Luke 4:16-30), the Church’s mission (Matthew 28:16-20), and eschatology (Revelation 7:9-10).

God's creation is tremendously diverse while also unified in bringing glory to the one, triune God. God's creation of humans is described as "very good," and that included the diversity already present (Genesis 1:31). This diversity in image-bearers reflects the Trinity's unity-in-diversity.

Adam and Eve's rebellion and the brokenness of the relationship between humans and God has marred all human relationships, including broken relationship between races and ethnicities. God condemns all injustice and oppression, but especially preying on the weak or marginalized (Isaiah 10:1-4). God's great love brought the incarnation, and its expression on earth culminated in the cross as Jesus died for our sins. Divine love flowed from divine justice toward healing human injustice preeminently through Christ's self-sacrifice. God's holiness, justice, and resurrection power is our hope for reconciliation with God and the foundation for our life together as the people of God (Ephesians 2:14-18).

God calls us toward a community of love, justice, and righteousness. As members of the household of faith, we come together in our differences—we cannot be the family of God without those who are different from us (Romans 12:3-8). This inclusionary posture, characterized by love in our communities, our discipleship, and our mission is evidence of life in the Spirit of God (1 Corinthians 12:12-27). Additionally, we must be a just community—one of equity and respect as we serve and honor one another as better than ourselves (Philippians 2:3).

Amid a world that is far from the Garden of Eden, we find easy evidence of evil in the form of corruption, discrimination, abuse, enmity, slander, hatred, and more—both in systems and in individual practices. Therefore, we lament and repent from any way which we have participated in this evil, actively or passively, and pursue the manifestation of God's love, seeking forgiveness from each other and from the Lord. God intends for us to live in shalom, and we long for the vision of Revelation in which humanity flourishes together worshipping in the unmediated presence of God in His holy city:

"After this I saw a vast crowd, too great to count, from every nation and tribe and people and language, standing in front of the throne and before the Lamb. They were clothed in white robes and held palm branches in their hands. And they were shouting with a great roar, 'Salvation comes from our God who sits on the throne and from the Lamb!'" (Revelation 7:9-10, NLT)

While we wait, we are called to pray for and work toward a community that reflects the nature of the triune God: one of love, justice, and righteousness.

Cultural Awareness Statement

Gordon-Conwell Theological Seminary is a diverse community that reflects cultures present within the United States and across the globe. Because we affirm Christ-centered

unity (1 Cor 1:10), we seek to develop our cultural intelligence—our capacity to effectively relate to each other cross-culturally with truth and love. We want to become students of the cultures and histories present within our learning and ministerial communities and to be a place where differences are valued in meaningful and respectful ways. Should there be exchanges where cultural sensitivity is not present, we invite participants to have a conversation about the offense and ask the offender to engage in further learning to better understand. We pray and work towards peacemaking and reconciliation (2 Cor 5), as well as justice and hospitality (Is 1:17, Micah 6:8, Zech 7:9, Col 3:1-17). In this manner, we can serve not only *for* but also *with* those with different backgrounds for the sake of God’s mission in the world.

The Student Life Statement

Vision:

To create environments and opportunities that invite and welcome students into community-based holistic formation focusing on students’ mind, heart and ministry throughout their Gordon-Conwell journey.

Mission:

We accomplish this vision by:

- Offering spaces of care, connection and support
- Providing pastoral care/guidance
- Developing students for Kingdom leadership
- Advocating for students so that they flourish in all aspects of their GCTS experience

International Students (F-1)

GCTS supports our international student community through a variety of services. In addition to helping F-1 students with F-1 Nonimmigrant Student Visa-related matters, we host an orientation for new F-1 master's level students and provide support and guidance for adjusting to life in the United States. According to United States immigration law, F-1 visa students are required to lawfully maintain their visa status throughout their entire stay in the U.S. GCTS assists F-1 students with this requirement by providing guidance for abiding by the provisions and restrictions pertaining to F-1 student (and F-2 dependent) visa status, including (but not limited to) full-time enrollment each semester (7 credit hours or more) and authorized on-campus employment. The Registration Office also assists master's level students with applications for practical training and applications for Social Security cards and driver's licenses. For questions or more information, email internationaloffice@gordonconwell.edu.

The Cohort-Based Education (CBE) programs (such as DMin) are not designed for full-time residency in the U.S. under an F-1 visa. These students are allowed to enter the U.S. 30 days before a course begins and to stay up to 60 days after a course ends. It is requested that

International Students apply for an I-20 no less than three months or 90 days before a residency begins.

Please note that the guidance given from GCTS is not legal advice and you may be advised to consult with an Immigration Attorney.

Public and Personal Safety on Campus

Gordon-Conwell's Title IX policy can be found online at <https://www.gordonconwell.edu/community/campus-safety/overview/>.

As a Christian institution committed to preparing men and women for ministry, we take our commitment to shaping moral and ethical character seriously. Gordon-Conwell's Community Life Statement maintains that, "we renounce behaviors, such as distortion of God's Word, deception, falsehood, drunkenness, stealing, and sexual immorality, such as premarital intercourse, adultery, and homosexual behavior." The Community Life Statement provides us with a set of guiding norms that shape the way we interact with one another. We understand that we live in a fallen world and that sin exists. For this reason, Gordon-Conwell recognizes its legal obligations in regard to Title IX, the Campus Sexual Violence Elimination (SaVE) Act, and the Clery Act on the specifics of these Federal laws. For the purposes of this policy and the Seminary's handling of such matters, Title IX includes the concerns of the Campus SaVE Act (specifically intimate partner violence & stalking).

The purpose of this policy is to:

- Affirm the Seminary's commitment to preventing sexual misconduct.
- Define sexual misconduct involving students, which includes sexual harassment, domestic violence, intimate partner violence, stalking, and sexual assault.
- Outline the Seminary's process of responding appropriately to incidents of sexual misconduct.
- Identify resources and support for students reporting an incident of sexual misconduct.

Pursuant to Title IX of the Education Amendments of 1972, Gordon-Conwell Theological Seminary prohibits discrimination on the basis of sex in its programs and activities. The Seminary will respond to and make reasonable efforts to investigate and address complaints or reports of prohibited conduct in accordance with the procedures outlined in our policy. Any questions regarding Title IX should be addressed with the Title IX Coordinator (Dr. Jana Holiday, Dean of Students—Institutional jholiday@gordonconwell.edu, 978-646-4060, Kerr 318).

Gordon-Conwell Theological Seminary seeks to provide students with a safe living-learning environment free from the negative effects of sexual misconduct, which includes sexual

harassment, sexual assault, and other forms of sexual violence. All forms of sexual misconduct are prohibited. The Seminary strives to educate students, staff, and faculty on these issues and to provide recourse for students believing they have experienced sexual misconduct. This policy applies to all members of the Gordon-Conwell Theological Seminary community, and includes, but is not limited to, faculty, staff, students, Seminary visitors, volunteers, and vendors. It also applies to alleged acts of sexual assault, prohibited sexual contact, dating, and domestic violence that occur: on campus; at seminary sponsored events, or in buildings owned or controlled by the Seminary; also can be applicable to off campus and/or online conduct if the conduct affects a substantial Seminary interest, or occurred within GCTS's education program and activities.

Campus Fire Safety and Right-to-Know

Gordon-Conwell Theological Seminary is concerned about the safety of every individual on campus and, therefore, has very strict fire safety regulations. Gordon-Conwell Theological Seminary provides an Annual Fire Safety Report to inform the campus community of important fire and life safety information pertaining to their residences on campus.

Fire and life safety programs must receive community-wide support to be effective. Cooperation from students and residents at fire drills, announced and unannounced, is expected. Students and residents who do not observe these regulations jeopardize the safety of others on this campus and, therefore, will be subject to disciplinary action.

Gordon-Conwell Theological Seminary is in compliance with the Campus Fire Safety Right-to-Know Regulations from the Higher Education Act (HR 4137).

Campus Safety (Boston Hub)

Campus Safety at the Boston Hub involves common sense on behalf of our students and staff. Please lock your car, remove all electronic devices, and bring them into the building with you. Anytime someone enters the Boston Hub building they are asked to sign in and provide a reason for their visit. During regular business hours, Operations monitors the front desk and assists anyone with what they need. Our premises are monitored 24-7 by a recorded video-surveillance system both inside and outside our building. It is imperative that if a crime occurs to you within the vicinity of the school, it should be reported immediately, not only to the Boston Police, but also to the administration. Note: In the event of an emergency that requires the Boston Police Department, Fire Department, or an ambulance, always dial 911 immediately. For more information and online forms, please visit [Campus Safety's webpage](#) on the Gordon-Conwell website.

Fireworks

Fireworks, firecrackers, and any similar explosive or incendiary devices are prohibited under Massachusetts, North Carolina, and Florida state laws, and their possession or use is prohibited on school property.

Crime Prevention

People living and working in a community are the most important part of any crime prevention program. Students are urged to take their own personal security precautions. Through their efforts, people are able to greatly enhance or detract from our efforts to keep criminal activity at the lowest possible level on campus. By always protecting your property, you reduce the opportunity for a thief to commit a crime.

- Keep in mind that Seminary campuses and other locations where classes are held are open to the public and that non-Seminary community people have access to the grounds and many buildings.
- Promptly report all crimes and/or suspicious activity to
 - Hamilton: Gordon College Police (978-867-4444) or to the town's Police Department (911).
 - Boston: 617-427-7293 after dialing 911
 - Charlotte: 704-527-9909 after dialing 911
 - Jacksonville: 904-354-4800 after dialing 911
- Mark your valuable property with some sort of permanent identification.
- Don't leave keys or valuables in your coat pockets, if you leave your coat in the coatroom or on a coat rack unattended.
- Don't leave valuables, such as laptops, purses, wallets, or jewelry in or on desks or file cabinets unattended.
- Don't leave valuables in your vehicle; keep them out of sight, locked in the trunk, if possible, and always lock your vehicle.
- Walk with others when outside, especially at night.
- Hamilton: Keep your dorm or apartment door closed and locked at night and when unoccupied.

- Hamilton: Register all bicycles with the Mailroom and secure them with a lock when parked or stored away.

Weapons

The possession, use or sale of firearms, ammunition, or any other weapons prohibited by Massachusetts General Law, Chapter 269 Section 10, is forbidden on campus and is subject to Seminary disciplinary action and possible criminal prosecution. Under the North Carolina general statute 14-269.2, it is a **Class I felony** for any person knowingly to possess or carry, whether openly or concealed, any gun, rifle, pistol, or other firearm of any kind on educational property or to a curricular or extracurricular activity sponsored by a school.

The Bartley-Fox Law imposes a mandatory one-year jail sentence for any person convicted of possessing or carrying a handgun, rifle, or shotgun in Massachusetts without the proper Massachusetts License to Carry or Firearms Identification Card, as applicable.

Firearms are prohibited from being brought onto location or into any GCTS building, except by law-enforcement personnel.

If a firearm or any other proscribed weapon is brought onto campus, it must be surrendered immediately to Campus Safety.

The use of any type of hunting or target bow on campus is forbidden.

IMPORTANT NOTE: Under Massachusetts General Law, Chapter 269, Section 10, Subsection J, the Seminary is required by law to report firearms violations to law enforcement officials.

Student Spouses

At Gordon-Conwell, we believe that preparation for a healthy ministry is inclusive of the entire family. Student spouses (both male and female) are an integral part of our community. Therefore, in an attempt to provide opportunities for personal and spiritual development, the Seminary encourages each spouse to become active in the events sponsored by Gordon-Conwell—whether social, spiritual or academic. Spouses may audit one master’s level course courtesy audit per major semester (Fall and Spring) at no expense. The courtesy audit of a class may be limited by space or by professorial preference. All such audits must be approved by the Registration Office prior to the beginning of class. Please see the Auditing Courses (courtesy audit) information in the *Academic Catalogue* or contact the [Registration Office](#) for more information.

SPIRITUAL LIFE

We are delighted to be part of the formation God has for you in this season to study, as well as to be a part of the Gordon-Conwell Community. One of the joys of this season of life is the privilege of seeing God's work in one another's journey.

Through the leadership of the Office of the Chapel, as well as the Dean's Office and Student Life, we seek to live out our conviction that the holistic development of head, heart, and hands are integral to your theological education. Hence, prayer, worship, meditation, and reading of God's Word are key parts of your overall experience and not supplemental to it.

The common life in Jesus Christ shared by students, faculty, administrators, and staff provides a base for special spiritual fellowship. The varying ecclesiological and personal backgrounds enrich this sharing. A Christian community is enjoyed in a variety of physical and digital spaces!

Chapel

The Seminary community gathers on Wednesdays during the Fall and Spring semesters from 11:10am to 12:00pm to worship together. We encourage those not physically present to stream the services on the [Chapel website](#) or [Facebook page](#). Each service is led by students, faculty, staff, administrators, and/or special guests.

Community worship is the spiritual center of Gordon-Conwell Theological Seminary. We gather as one community to worship God through the preached word, congregational singing, and prayer. We also encourage the arts in worship and often members of our community contribute to worship through liturgical dance, drama, choir, or painting. Our gatherings reflect the rich diversity of our global community as we share from our traditions and cultures.

On Wednesdays, offices and departments are closed during the chapel hour so that the entire community to gather together in worship. We encourage those not physically present to stream the services on the [Chapel webpage](#) or [Facebook page](#).

Denominational Groups

The Career Services Office strongly encourages all students who seek eventual ministerial credentialing (license, ordination) to pray and to seriously consider going under care with a denomination of their choice. Support, networking, and employment opportunities are much greater when working within a denominational family or network. Here is our [Denominational Chart](#). Information on the *process* for seeking ministerial credentialing

after having selected prospective denominational affiliation(s) will then be offered by looking at the [Ordination Chart](#). The Career Services Office also has information on various non-denominational credentialing agencies.

Occasionally in any given year, the formation of formal or informal denominational (or denominational family) groups may be initiated by interested students, staff, faculty or local denominational representatives. The Career Services Office desires and is available to help arrange for and advertise these events and/or meetings.

Spiritual Formation (Networked Education)

GCTS Networked Education features a culture of relationally connecting students to God and each other.

Formation and discipleship center on reflection upon:

- God's Word
- Key learnings and applications from course material

Formation and discipleship environments include:

- Prayer Community
- Soul Care
- Community Day Chapel and Digital Devotional Experiences
- Student Peer Groups
- Alumni/Student Mentoring
- Spiritual Direction

Prayer Community

Staff, faculty, and students from around the world gather via Zoom to pray every Thursday from 11:30 am-12:15 pm EST. Students connect throughout the week via a Signal app prayer group.

The Charlotte campus also has a chapel and prayer room. The prayer room is open to students on a first-come-first-serve basis for students during business hours. The Charlotte chapel is open during business hours and hosts occasional worship services and other spiritual growth opportunities. Notably, it features a well-known fresco depicting the "Parable of the Sower" painted by Gerald Steinmeyer.

Soul Care

Digital Soul Care groups provide an opportunity for students to pause, reflect on Scripture, listen, and share together how God is at work through His word and in their lives. Soul Care groups are led by students specifically trained in formation and discipleship.

Community Day Chapel and Digital Devotional Experiences

Students gather on the Charlotte campus every semester for a Community Day chapel that features worship, reflection and prayer. Digital devotions sent throughout the fall and spring invite students to reflect on scripture and formation through art, music, and other avenues. Students can engage with these devotions individually or with their family, small groups, and churches.

Student Peer Groups

Small groups of three-four students meet to foster deeper relationships with God and each other. Students reflect on deeper questions of how they are being shaped through what they are learning in their courses.

Alumni/Student Mentoring

This model is currently being developed in cooperation with the Office of Alumni Engagement. Alumni/student mentoring will feature two students paired with a GCTS alum, who will provide encouragement and support throughout the seminary journey.

Spiritual Direction

Spiritual direction offers students an opportunity for individual guidance on matters of spiritual discernment.

For more information, contact Doreen Campbell, Manager of Networked Community Development, (dcampbell2@gordonconwell.edu) or Deana Nail, Networked Education Dean of Students, (dnail@gordonconwell.edu).

As a service to the church, our students, and our alumni, the Career Services Office oversees the Gordon-Conwell professional ministry job search website, <https://MinistryList.com>. Hundreds of professional ministry positions in churches, ministries and faith-based non-profits in the U.S. and internationally are posted, with new postings arriving daily. All GCTS graduating students and alumni are encouraged to look first and regularly at MinistryList.com!

The Career Services Office is on the Hamilton Campus in Kerr, Room 317. Email careerservices@gordonconwell.edu.

Counseling Services

Student Life Services serves as a supporting resource to students, who may need assistance in locating counseling services for themselves and/or their spouses/families on issues, such as personal development, spiritual concerns, relational adjustments, and marital concerns. Gordon-Conwell acts primarily as a crisis intervention and referral source.

Individuals who demonstrate financial need beyond insurance coverage may be eligible to receive a subsidy from the school for necessary counseling upon recommendation of the Dean of Students - Institutional or the Dean of Students – Networked Education. The duration of the subsidy is generally limited to eight sessions per academic year.

Students who desire help in addressing life issues, not requiring the credentials of a trained counselor, are encouraged to talk to their advisor, faculty mentor, the Deans of Students, or their pastor. Email for more information – [Hamilton](#), [Networked Education](#).

Emergency Student Notification

Upon notification of a death, serious illness, or accident in a student's family, during classroom hours, a Student Life Services staff member will attempt to locate the student in class. Official notification to professors, campus community, and/or family will come from the Dean of Students Office.

Employment

Student Employment

Positions are available for both work-study eligible students and non-work-study students. Students secure these positions once they arrive on campus. Typical positions include grounds workers, office assistants, general maintenance workers, and library assistants, to name a few. Student employees may work no more than 25 hours per week in total. The most common way to locate positions is to check the [Employment page](#) of our website or to obtain a list of department supervisors from the student employment/human resources office and contact these hiring managers directly regarding any available positions. Students who wish to work remotely must live in one of the states HR approves.

Networked Education and Digital Education employ students as teaching assistants each semester. In addition to the usual requirements for student workers, teaching assistants must have completed coursework successfully in the subject in which they are assisting. These departments send a TA interest form out to students periodically via email. You may also contact these departments directly about TA opportunities by emailing Noah Batke (nbatke@gordonconwell.edu).

Staff Employment

Students and student spouses may apply for any open, full-time or part-time position. Regular full-time staff positions come with an excellent benefit package. Openings for staff employment also may be found on the [Employment webpage](#).

Casual Labor Opportunities

Student spouses are eligible to work in a short-term capacity under casual labor arrangements. These opportunities are subject to certain earning limitations and are on an as-needed basis by various Seminary departments (see *International Students* on F-2 spouse visa and employment).

Housing

Off-Campus Housing (Charlotte)

Although the Charlotte campus does not provide student housing for those who commute from a distance, however, we have made arrangements with SIM, a neighboring missions organization, to make rooms/suites available to our students at a discounted rate. For information, please see the Community Life hub on Canvas or email the [Networked Education Student Life Office](#). Students may post their lodging needs by email to [Networked Education Student Life Office](#).

See below in the Hamilton section for housing information at our residential campus.

Information Technology Services

The Technology Services department consists of the IT Service Desk and AV Technology Services, also known as Media Services.

The department is responsible for the Seminary's IT equipment and maintenance of the school's IT infrastructure and services at all locations. Wireless internet is available to all students, staff, and faculty at each campus. The IT Service Desk exists to serve the entire Gordon-Conwell community and address technological incidents and requests as they relate to accessing seminary services and resources.

The campus-based AV teams provide classroom technology support and audio/visual technology support for meetings and events.

If you need assistance, start by visiting our institutional support platform at support.gordonconwell.edu. Here you will find knowledge-based articles on many different topics related to technology at Gordon-Conwell. You also can submit a ticket/issue to IT, SONIS (our student information system used for registering for classes and paying bills), and Digital Education (oversees Canvas, GCTS's learning platform and Panopto, GCTS' video content platform). If you are not able to find an answer to your question, please visit the [Technology Services webpage](#) to find more helpful resources and updates to projects and services that affect you.

Internet Access & Acceptable Use Policy

The GCTS wired and wireless network connects to the Internet and internal resources, including administrative portal, learning portal, printing, and library resources. All students agree to abide by the [Acceptable Use Policy](#). Violations may result in disciplinary action which could include suspension or restriction of access.

Gordon-Conwell User Account

At matriculation, students receive a GCTS username, email address, and password. Student login information is used to access email, portals, printing, and library resources. In most cases, the student username is the student's first initial plus last name. For example, John Smith's user ID would be jsmith, and his email address would be jsmith@gordonconwell.edu. If there is more than one user with the same first initial and last name, the system automatically assigns a number at the end of the username (example: jsmith9). Instructions for logging into systems are provided during the matriculation process, as well as during new student orientation. For more information, visit our [website](#).

Library Computer Labs

The Hamilton and Charlotte Library Computer Labs include the following for your use during library hours.

1. Desktop computers equipped with Microsoft Office suite, Internet, library resources, and printing access.
 - a. Log into these computers with your Gordon-Conwell username and password.
 - b. To avoid losing your work when you sign out of a lab computer, save it to your online Microsoft OneDrive or email it to yourself via Outlook.
2. Catalog-only desktop computers specifically for accessing the online library catalog. No login is required.
3. All-in-one printer/copier/scanner. All the library computers can print directly to the library printer(s), or your personal computer can print to the library printer(s) by setting up Mobility Printing on your computer while on campus. A small per-page printing fee applies. In Charlotte, this is paid directly to the library. In Hamilton, this is paid through the Seminary's printer management system ([PaperCut](#)). Each student receives an initial copying/printing credit in [PaperCut](#) and can purchase additional copying/printing credits at the Mailroom as needed to add to their printing account. Please ask your campus library staff for details.
4. Book scanner. This scans pages from books into a PDF file to be sent to your email or saved on a USB flash drive. The scans are high-quality, and this service is free.

Statement of Library Computer User Responsibilities

By using the Seminary's computing and internet resources, students agree as a condition of use to accept personal responsibility for considerate, ethical, and responsible behavior in their use of the available resources.

Students are responsible to use the resources in compliance with applicable laws and Seminary standards, policies, and procedures. All students agree to abide by the [Acceptable Use Policy](#). Violations may result in disciplinary action which could include suspension or restriction of access. The Seminary reserves the right to monitor and record user activities and may provide the results of such monitoring to appropriate authorities.

Students are responsible for using the resources with sensitivity to the rights of others. It is the student's responsibility to avoid intrusions into the privacy of others and/or to avoid creating an atmosphere of discomfort or harassment for others. Students are responsible for making any back-ups of electronically-stored data that they have created or maintained. The Seminary assumes no responsibility for lost or corrupted data.

Students may not change computer settings, install software, or disconnect cables to the computers or printers.

Students are responsible for taking steps to avoid being a victim or an unwitting distributor of computer viruses or other destructive computer programs. The Seminary assumes no responsibility for avoidance of or for the impact of computer viruses or other such destructive programs. Students should be aware that electronic files are not necessarily secure and that email is extremely vulnerable to unauthorized access and modification. Therefore, the Seminary does not assume responsibility for the confidentiality of a user's files.

If another student needs a book that you have checked out, we reserve the right to ask you to return the book before the semester due date.

The library does not charge fines for overdue books, but books more than four weeks (28 days) overdue are declared lost and students are charged a minimum of \$100 fee per book for replacement and processing costs. Students from other institutions in the Carolinas Theological Library Consortium (CTLC) may check out up to five books for up to three weeks with one renewal. CTLC students may not borrow books placed on reserve for Gordon-Conwell—Charlotte courses. CTLC students must see the Library Director or an assistant to check out books.

The library maintains the Lost & Found for the Seminary community.

Medical Insurance (Hamilton and Boston)

Massachusetts law requires that all Gordon-Conwell students at the Hamilton campus or Boston Hub enrolled in 6 or more credit hours (full- or three-quarter time) have “suitable” health insurance coverage. To help students meet this requirement, Gordon-Conwell offers a health insurance plan through Blue Cross/Blue Shield. This plan is managed through the Student Life Services Office and University Health Plans. Students enrolled in 6 or more

hours in the Fall and/or Spring semesters must participate in the Seminary plan or waive inclusion in the Seminary plan by providing proof of another insurance plan deemed by the Massachusetts Division of Health Care Finance and Policy (DHCFP) as “comparable coverage” to the plan offered by the Seminary. Students, who waive coverage, must do so by the posted waiver deadline each year. Students enrolled in less than 6 credit hours are not eligible for the Seminary plan and are not required to submit a waiver.

Meeting Room Reservations (Hamilton and Charlotte)

Those wishing to reserve space for Seminary-related and sponsored events, as well as for personal reasons, must do so through the [Mazevo](#) system.

All reservations must be made at least two weeks in advance.

Outside groups are allowed access to campus facilities when space is available. Fees will be charged to cover maintenance costs, custodial services, and crowd control management when necessary for use of campus facilities by approved outside organizations, with reduced rates for personal use by students. Charlotte students requesting space, such as a study group, may use campus spaces at no charge provided they are not reserved. For private student events not related to classes, campus spaces are available to rent at a 50% discount.

Boston

Those wishing to reserve space for Seminary-related and sponsored events, as well as for personal reasons, must do so through the Campus Operations Manager. All reservations must be made well in advance.

Outside groups are allowed access to campus facilities when space is available. Fees will be charged to cover maintenance costs, custodial services and security for use of campus facilities by approved outside organizations, with reduced rates for personal use by students. Fees range based upon type of occasion/facility. All reservations from non-Seminary affiliates must be made through the Campus Operations Manager.

Reserving Retreat House (Hamilton)

The Seminary limits the use of the Retreat House to current Seminary students and their families. Outside guests are not permitted to reserve the Retreat House. Students (and/or spouses) wishing to reserve the Retreat House for social events (baby showers, bridal showers, book clubs) should go through the [Mazevo](#) system. Students wishing to host events where a significant number of outside guests will be invited (weddings) will need to gain approval. Also, a small fee will be charged for the use of the facility.

Student Guidance (Hamilton and Networked Education)

Students needing spiritual and vocational guidance as well as additional forms of support can reach out to their Student Success representative, to the [Networked Education Student Life Office](#), or to Student Life staff. Networked Education students also can immediately connect with spiritual care contacts and resources through their EAB Navigate student app.

The Pastoral Guidance Committee is available to help students who may be experiencing personal or emotional difficulties which could potentially lead to a disciplinary growth process. Referral to the committee may come from faculty, administration, staff, or students with or without the affected student's knowledge. The focus of the committee is pastoral. In cases where the committee determines it is in the best interest of the student and the Seminary for the student to seek professional help outside the school or to require the student to withdraw to attend to personal matters, the committee has the authority to take such action. The student retains the right to appeal the committee's decision.

Student Lounges

(Hamilton)

Students have the opportunity to retreat to the Pierce Great Hall in the Kerr Building. Students also may avail themselves of wireless Internet connections. The Pierce Great Hall, on rare occasions, will be used for large functions, which requires it to be closed for a day or two. When this occurs, students will be given advance notice. Students also can take a break in the lounge, located in Kerr 429, between the Pierce Great Hall and the North Wing. Any questions about the lounge should be directed to the [Student Life Services](#) office.

(Charlotte)

The Charlotte campus offers vibrant community space and quiet study places throughout the building. Outside community areas are located on the first-floor courtyard; study and gathering areas are located primarily on the second floor.

Writing Center

The Gordon-Conwell Writing Center offers professional online revision and editing services for academic and ministerial writing produced by Gordon-Conwell students. Editing services involve detailed, sentence-by-sentence feedback on grammar, spelling, punctuation, word choice, and writing style. (Note that editing does not include specific feedback on formatting.) Revision services involve detailed feedback on "big picture" ideas in a written text, such as: introductions, thesis statements, paragraph development, organization & cohesion, transitions, integration of research, analysis, conclusions, and even visual appeal. The Gordon-Conwell Writing Center will review most types of writing

that are produced by Gordon-Conwell students for school or ministry. Such texts might include academic research papers, reflection essays, book reviews, PowerPoint presentations, ministry web pages, written sermons, résumés for ministry positions, church newsletters, Christian non-profit publications, faith-based blog posts, ministry grant proposals, etc. Additionally, the Writing Center offers live virtual consultations. All paid services are available in English or Spanish. To learn more about these services and access free writing guides, [enroll](#) in the Writing Center site in Canvas. Please [email](#) the Writing Center with any questions.

POLICIES AND PROCEDURES

Disability Accommodation Policy

The Seminary is in compliance with the provisions of the Americans with Disabilities Act. The following policy statement describes the procedures the Seminary will follow in accommodating persons with disabilities.

1. It is the student's responsibility, after being informed of admission, to inform the institution through the following offices of his or her disability and of the need for accommodation:
 - Hamilton: [Dean of Students \(Institutional\)](#)
 - Doctorate of Ministry: [Associate Registrar](#)
 - Latino & Global Ministries: [Dean of Students \(Institutional\)](#)
 - Boston Hub: [Dean of Students \(Institutional\)](#)
 - Networked Ed students: [Dean of Students](#)

Such disclosure of need should be done as soon as possible so that the Seminary can make necessary plans, preferably with at least four weeks notification, as a minimum, requested. For Hamilton and CUME students, please complete the Request for Accommodations (RAF) form found at [online](#). For other students, please contact those listed as the appropriate contact.

2. A student having a disability requiring accommodation must provide the Seminary with current and relevant documentation from a specialist certified to diagnose the particular disability.
3. Acceptable sources of documentation for substantiating a student's disability and request for particular accommodations can take a variety of forms. Please visit our [website](#) for specifics.
4. Documentation requirements vary by situation. The Disability Services Coordinator (DSC) designated for the campus/program will talk to the student about documentation during the initial conversation. No student should delay meeting with the DSC out of concern for not having appropriate paperwork.
5. Documentation must be submitted prior to the first class for which the student is requesting accommodation. The designated office will keep the documentation in

the student's permanent file.

6. A meeting must be scheduled between the student seeking accommodations and the DSC to explore collaboratively previous educational experiences, past use of accommodations, and what has been effective and ineffective in providing access.
7. The DSC, in consultation with faculty members and student, will determine reasonable accommodation in each particular case and for each class. A formal Disability Accommodation Plan will be drafted and disseminated to all necessary parties.
8. Prior to the start of each following semester, the student must contact the DSC in writing to ensure the DAP is shared with the relevant faculty member(s) for each particular class.
9. By the first day of any given class, the student also must notify his or her professor that a disability exists that will require accommodation.

Policy on Alcohol Use, Marijuana Use, and Smoking on Campus

The use of alcoholic beverages or tobacco products is not permitted on any campus or other locations where classes are being held. Medical and recreational marijuana use is prohibited at Gordon-Conwell as its possession, use, or cultivation is prohibited by Federal law. Smoking is not permitted on any campus or in connection with any school-sponsored activity or in any off-campus offices and classrooms. For more information, please see our the drug free-school and campuses information on our website.

Policy and Procedure for Disciplinary Action

Statement of Standard for Disciplinary Action

The Seminary reaffirms the biblical principles set forth in its *Community Life Statement* as it seeks to support students in their educational endeavors. The Seminary's commitment to its mission statement requires that all students be afforded an environment, which promotes intellectual and spiritual growth. To this end, the Seminary may engage in investigations, which could result in a process designed to bring about restoration for the student to the community, should he or she be found in violation of any aspect of the *Community Life Statement* or any other institutional code of conduct that interferes with or limits the student's, as well as the community's, ability to fulfill their academic goals.

The purpose of a student disciplinary process is to determine if a student has engaged in misconduct, and in those cases in which it is determined that the student has engaged in misconduct, to impose appropriate sanctions because the goal is always restoration. Romans 2:4 states that it is God's kindness that leads us to repentance and the Seminary seeks to follow the patterns for discipline described in Scripture through campus-specific

guidance committees. The following procedures are employed in fulfilling this purpose. Please note that situations that fall under the umbrella of Title IX will follow a different procedure.

Procedure for Conducting a Misconduct Review

1. The campus-specific guidance committee will conduct an investigation of the allegations brought against a student. The investigation includes the following steps:
 - a. Confirm the name/identity of the student in question.
 - b. Gather all material facts.
 - c. Determine alleged infraction as stated in the *Community Life Statement* or other published institutional code of conduct.
 - d. If necessary, take any appropriate actions, including government and/or law enforcement agencies.
 - e. Seek legal counsel as deemed appropriate.
 - f. Keep thorough and complete documentation of investigative process.

2. The Chair of the Guidance Committee will notify the student in writing of the following:
 - a. A statement of alleged charges against him or her
 - b. The specific Seminary policy or code of conduct, which allegedly has been violated
 - c. The purported facts/information supporting the allegation
 - d. The establishment of a committee interview with the student in question

3. The Guidance Committee will conduct an informal interview with the student, using the following guidelines:
 - a. The student will be informed of the date, time, and location of the interview, in writing, either by personal delivery or email, at least three business days in advance. This information also will be provided to the person(s) who brought forth the alleged charges in case he or she desires, is required or is invited to be present in the interview.
 - b. The entire case file and the names of any prospective witnesses will be available for inspection by the respondent student during normal business hours in the Student Life Services/Dean of Students' office where non-academic student files are maintained (unless protected from disclosure by FERPA).
 - c. The respondent student may choose to be assisted by a family member or other individual. Those assisting the respondent student will be given reasonable time to ask relevant questions of any individual appearing at the interview, as well as to present relevant information. The student also may be accompanied by legal counsel, although the role of counsel will be limited to providing legal advice to the respective student. It will be done in a quiet manner that is not disruptive to the proceedings. A reasonable effort will be made to accommodate the schedule of any representative or advisor allowed to assist the student.

- d. The complainant student, if present in the interview, also may be assisted by an advisor of his or her choosing.
 - e. The respondent student will be expected to respond to questions asked by the Committee. Students who refuse to answer on grounds of the Fifth Amendment privilege may be informed that the Committee could draw a negative inference from his or her refusal, which might result in his or her dismissal from the Seminary, in accordance with these standards and procedures.
 - f. The informal interview may be conducted in the absence of the respondent student if he or she fails to appear, following proper notification of the interview date, time, and location.
 - g. The interview shall be recorded by the Committee. The recording shall be kept with the pertinent case file for as long as the case file is maintained by the Seminary. (A copy of the hearing will be made and kept in the Dean of Students' office.)
4. Following the informal interview, the Committee will meet for deliberations and render a written decision to the student within five business days after the completion of the informal interview.
 5. The Committee has the authority to render any one of the following decisions/sanctions:
 - a. **Further investigation** possibly culminating in another follow-up interview.
 - b. **Admonition.** A formal admonition that an institutional standard has been violated and which does not become part of a student's permanent record, but that may be taken into account in judging the seriousness of any future violation.
 - c. **Disciplinary Probation.** A more serious admonition assigned for a definite amount of time, with the probation to continue until certain conditions stipulated by the Committee have been fulfilled. It implies that any future violation during that time, of whatever kind, may be grounds for suspension, or in especially serious cases, for dismissal from the Seminary.
 - d. **Suspension for a Definite Period.** Removal from membership in the Seminary community, including all student privileges for a specified period of time, with the suspension to continue until certain conditions stipulated by the Committee have been fulfilled. A suspension is noted on a student's official record only for the duration of the suspension. (Required to move out of Seminary housing.)
 - e. **Indefinite Suspension.** Removal from membership in the Seminary community including all student privileges for at least the period of time specified by suspension, with the suspension to continue until certain conditions stipulated by the Committee have been met, after which the Committee will reconvene to render a final decision. A suspension is noted on a student's official record only for the duration of the suspension. (Required to move out of Seminary housing.)
 - f. **Dismissal.** Permanent removal from membership in the Seminary community, including all student and alumni privileges without possibility of readmission.

(Required to move out of Seminary housing.) A dismissal is noted on the student's official record.

6. If the student is suspended or dismissed, the written decision shall be mailed or emailed to the student within five business days after the completion of the interview. It shall contain a statement of reason resulting in the sanction. The respondent student shall be asked to sign a form, for the record, indicating his or her understanding of the disciplinary action taken by the Committee. The respondent, as well as the complainant, also shall be advised of the appeal process.
7. A confidential copy of the letter to the student(s) will be filed in the Dean of Students Office, and the Registrar's Office will be notified of the decision.
8. The Committee shall inform the complainant, if any, that the investigation has been completed and that a sanction has been imposed but may not be permitted to divulge details.

Procedures for Appeal

In the event that the response, decision, or action is unacceptable to either party (the respondent or the complainant) due to procedural inconsistencies or new information, which was not available to the committee, formal complaints can be appealed to the Academic Dean. Exceptions can apply where the Campus Safety Department advises other action be taken, as required by law.

1. If either student or complainant so desires, he or she may appeal the investigating committee's decision in writing within seven business days, following the notification of sanction, to the Academic Dean.
2. The Academic Dean will present his or her decision within seven business days to the student (or complainant), unless he or she appoints a review committee of his or her choosing, in which case, he or she will have 10 business days in which to respond.
3. In the event that following this appeal there is further evidence of procedural inconsistencies or new information, which was not available to the Academic Dean, either student may appeal to the Provost of the Seminary in writing within seven business days, following the notification of sanction.
4. The Provost will present his or her decision within seven business days to the student (or complainant).
5. The Provost's decision will be final.

For students in North Carolina unable to resolve a complaint through the institution's grievance procedures, they may review the Student Complaint Policy, complete the Student Complaint Form (PDF) located on the State Authorization webpage at:

Procedures for Student Departing the Seminary

1. If suspension or dismissal occurs during the course of the semester, tuition may be refunded to the student according to Federal policy.
2. Appropriate notation shall be entered on the student's transcript and placed in his or her permanent file. The Registration Office will follow normal procedure to notify the appropriate offices of the student's leave from the Seminary.
3. If the student resides on campus, he or she may be given up to a 30-day notice to vacate the apartment and no more than seven days to move from the dormitory (date of dismissal will take into account the appeal process).
4. In the case of an international student (F-1 visa), as per SEVP (Student and Exchange Visitor Program) regulations, he or she must vacate immediately (i.e., no visa "grace period"), following the date of dismissal (date of dismissal will take into account the appeal process).

Deviations from Established Procedures

Reasonable deviations from these procedures (not to include sanctions) will not invalidate a decision or proceeding unless significant prejudice to the student may result.

Policy on Drug and Alcohol Abuse

(in compliance with Drug Free Schools and Campuses Act Amendment of 1989.)

The following is a policy statement regarding this act.

Gordon-Conwell Theological Seminary seeks to provide a safe setting and to protect the public health for all members of the Seminary community by securing a drug-free environment in compliance with the Drug-Free Schools and Campuses Act of 1989 (Federal law). The law declares that students and employees have the right to study and work in a setting free from the effects of drug or alcohol abuse. In keeping with the principles outlined in our Community Life Statement and our Christian tradition as a theological seminary that prepares men and women for Christian ministry, the following policies dealing with the illegal and abusive use of alcohol or drugs are adopted in compliance with the law.

Seminary policy prohibits the following:

1. The use, possession, manufacture, distribution, or sale of illegal drugs, controlled substances, or drug paraphernalia on Seminary premises, in Seminary-supplied vehicles, or at any official function or Seminary activity;
2. The use, possession, manufacture, distribution, or sale of alcoholic beverages on Seminary premises, in Seminary-supplied vehicles or at any official function or Seminary activity;
3. Being under the influence of an unauthorized controlled substance, illegal drug or alcohol on Seminary premises, in Seminary-supplied vehicles or at any official function or Seminary activity;
4. The use of alcoholic beverages or drugs that adversely affects a student's academic performance, preparation for ministry, or practice of ministry, or that adversely affects an employee's work performance, or that is a threat to individual safety on the part of students or employees, or that adversely affects the Seminary's reputation in the public arena on the part of students or employees.
5. We are a drug-free campus, including the possession and use of marijuana.

The following procedures will be observed in cases of suspected abuse or violation of the above policies:

I. Students

Referral for investigation of possible abuse will be made to the Dean of Students for the specific campus or Vice-President of CBE (for CBE). Referral may come from a number of sources, such as residence life coordinators, fellow-students, faculty or staff members, spouses, area clergy, campus police, etc. Procedure for disciplinary action will be observed.

II. Faculty

The process involving faculty shall follow the Faculty Handbook.

III. Staff

The process for staff and administration is contained in a separate statement and is available in the Human Resources Office as part of the Employee Handbook.

Summary of Legal Sanctions Covering Alcohol and Drug Abuse

Local, state, and Federal laws make illegal use of drugs and alcohol serious crimes. Convictions can lead to imprisonment, fines, and assigned community service. Courts do not reduce prison sentences in order for convicted persons to attend school or continue their jobs. A felony conviction for such an offense can prevent students from entering many fields of employment or professions.

Cities and towns in Massachusetts, Florida, and North Carolina, specifically Hamilton, MA, prohibit public consumption of alcohol and impose fines for violations. The Massachusetts Department of Conservation and Recreation (DCR) also prohibits public consumption of alcohol in its parks around Boston. In North Carolina, if you become disruptive in public (violent, insulting, using profanity, urinating) as a result of being drunk, you can be fined up to \$50 and spend up to a month in jail.

Massachusetts, Florida, and North Carolina laws prohibit sale or delivery of alcoholic beverages to persons under 21 with a fine of up to \$2,000 or 6-months to 1-year imprisonment, or both. Misrepresenting one's age or falsifying an identification to obtain alcoholic beverages is punishable by a fine of \$300, and it also carries a mandatory 180-day suspension of driver's license or right to operate a vehicle in MA. First conviction of driving under the influence of alcohol has a fine of not more than \$5000 and imprisonment in the House of Corrections for not more than 2.5 years as well as 1-year license revocation, and mandatory alcohol rehabilitation.

Massachusetts, Florida, and North Carolina have criminal penalties for use of controlled substances or drugs, with penalties varying with the type of drug. In general, narcotic, addictive, and drugs with a high potential for abuse have heavier penalties. In North Carolina, possession of illegal drugs can send you to jail for up to five years or cost you fines of up to \$2,000. Selling illegal drugs to others carries a jail term of up to 10 years.

Possession of drugs is illegal without valid authorization. While penalties for possession are generally not as great as for manufacture and distribution of drugs, possession of a relatively large quantity may be considered distribution. Under both State and Federal laws, penalties for possession, manufacture, and distribution are much greater for second and subsequent convictions. Many laws dictate mandatory prison terms, and the full minimum term must be served.

Massachusetts makes it illegal to be in a place where heroin is kept and to be "in the company" of a person known to possess heroin. Anyone in any context where heroin is present risks a serious drug conviction. Sale and possession of "drug paraphernalia" with the intent to sell is illegal in Massachusetts.

Persons convicted of drug possession under State or Federal law are ineligible for Federal student grants and loans for up to one year after the first conviction, five years after the second; the penalty for distributing drugs is loss of benefits for five years after the first, 10 years after the second, permanently after the third conviction.

Under Federal law, distribution of drugs to persons under age 21 is punishable by twice the normal penalty with a mandatory one year in prison; a third conviction is punishable by mandatory life imprisonment. These penalties apply to distribution of drugs in or within 1,000 feet of a college (Seminary) or school. Federal law sets greatly heightened prison sentences for manufacture and distribution of drugs, if death or serious injury occurs from use of the substance.

Health Risks and the Effects of Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increases the incidence of a variety of aggressive acts, including

spouse and child abuse. Moderate to high doses of alcohol cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening.

Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, also can lead to permanent damage to vital organs, such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

Health Risks and the Effects of Marijuana

Marijuana use may have a wide range of health effects on the body and brain. Click on the [Cannabis Health Effects](#) website to learn more about how marijuana use can affect your health.

Biennial Review of the Program

The Drug-Free Schools and Campuses Regulations require that every two years (on even-numbered years) the Seminary conduct an audit of the effectiveness of their Drug-Free Schools and Campuses Program.

To determine the effectiveness of the above stated Drug-Free Schools and Campuses Program, Gordon-Conwell Theological Seminary has established a Drug-Free Schools and Campuses team to conduct a review of current programs, practices, policies, any new or changing laws related to this act and to suggest modifications to the current program, if needed.

Members of this team are the following:

- Campus Safety
- Dean of Students, Hamilton Campus
- Housing Coordinator, Hamilton Campus
- VP of Operations
- Dean of Students, Networked Education

A review of the program was completed on June 1, 2025, to review the policy and discuss any violations of the policy since the inception of the Drug Free Schools and Communities policy.

A record of the current plan, related programs, statistics, related to any incidents, and compliance with this policy, plus the biennial findings of this audit team is kept on file.

All records of disciplinary actions and/or counseling sessions related to drug and alcohol abuse are kept in the confidential files of Student Life Services, Campus Safety, or Human Resources, as appropriate.

Distribution of Drug-Free Schools and Campuses Regulations Information

The following program is in place to ensure the required distribution of the policy to every faculty, staff, and student each year.

- By providing a link to the [official website](#) of the Higher Education Center for Alcohol and other Drug Prevention.
- Each year, prior to October 1st, the Seminary sends out an email to all faculty, staff, and students, reminding them of the Seminary's position on Drug-Free Schools and Communities. Since all faculty, staff, and students have access to email; this meets

the minimum requirement of informing annually all faculty, staff, and students about the Drug-Free Schools and Campuses Policy.

Hard copies of Gordon-Conwell Theological Seminary's Drug-Free School and Campuses Regulations Policy are available from Student Life, upon request.

Enforcement

The enforcement of the Drug-Free Schools and Campuses Regulations as put forth in the program and in the Seminary policies rests primarily with Human Resources, Student Life Services, Campus Safety, and the Academic Dean's Office. However, the Seminary assumes that each faculty, staff, and student, who voluntarily becomes part of the Gordon-Conwell Theological Seminary community, agrees to abide by its Standards of Conduct and Community Life Statement.

Policy and Procedures on Discrimination and Harassment

The purpose of this policy is to help insure all members of the Gordon-Conwell Community understand the prohibition against harassment. All members of the Seminary community are encouraged to reflect upon the issue of discrimination and harassment as it might affect the lives and conduct of others. Further, anyone who may be the victim of harassment should be aware of the procedure for reporting such incidents.

Behavior that constitutes discrimination or harassment is prohibited by Title VII of the 1964 Civil Rights Act, includes, but is not limited to, slurs, coarse jesting with racial/ethnic/gender overtones, and other forms of communication resulting in disparagement or intimidation.

Gordon-Conwell welcomes women to all its degree programs, seeking to build a community in which all of Christ's people, regardless of gender, find warm acceptance. Since the Seminary accepts women who are training for this purpose, the responsibility of students, faculty, staff, and administration is to relate to one another so that Christ's call can be pursued freely without the impediment of exclusive or insensitive words and actions. Women preparing for ministry, therefore, should receive personal encouragement from all members of the community. To that end, the Seminary is committed to the full inclusion of women, their contributions and concerns, in recruitment and admission of students, for teaching, for administering and planning curriculum, chapels, and convocations, and for filling faculty, administrative, and other appointments.

Gordon-Conwell Theological Seminary does not discriminate on the basis of race, gender, color, national or ethnic origin, age, handicap, or veteran status. This statement applies to

every member of our campus community and is adhered to strictly.

Reporting Procedure

Reports can be made to the Deans of Students, Director of Human Resources, or another campus authority. A reporting form can be found [online](#) and may be submitted to Gordon Campus Police, the Dean of Students, Dorm/Apartment RLC, the Dean or Provost. Reports also may be made via email or in person to the appropriate office or person.

Grievance Procedure on Harassment

The grievance procedure is available to any Gordon-Conwell Theological Seminary community resident or student who thinks he or she has been subjected to or affected by discrimination in the form of harassment within the Seminary community as defined in the policy statement.

Informal Procedure:

The informal procedure consists of a request for advice or counsel to evaluate perceptions or clarify issues. Students might seek out their faculty mentor, Residence Life Coordinator, the Dean of Students, or the Academic Dean. Non-students, living in on-campus housing, might talk with their Residence Life Coordinator. If resolution is not achieved by the informal procedure and the person wishes to pursue the matter, formal recourse shall follow.

Formal Procedure:

Students: The student shall present in writing a description of the problem to the Dean of Students and make an appointment to meet with the Dean or designated person. Written complaints shall be submitted as near in time to the actual incident(s) as possible. An investigation will be initiated including discussion with all parties involved. The Pastoral Guidance Committee (see Policy and Procedures for Disciplinary Action) may be convened to investigate the case and require action. Complaints shall be handled quickly, fairly, and thoroughly.

Non-Student Community Resident: Non-student community residents will follow the same procedure as that described for students.

Appeals:

In the event of a response, decision, or action being unacceptable to any party due to additional information or procedural inconsistencies, formal complaints can be appealed to the President's Office. Exceptions can apply where Gordon Campus Police advises other action be taken by necessity of law.

Confidentiality:

In all cases of harassment complaints, confidentiality will be observed as far as possible by processing complaints discreetly. Given that discussions and investigations may involve

several people, however, absolute confidentiality cannot be guaranteed. Be assured that discretion and respect shall be observed.

Student Grievance against a Faculty Member

While conflict may be inevitable, our hope is that any differences can be resolved in such a way that growth occurs. We are a learning community, and as such, our posture ought to be in readiness to experience the formation that God intends. We will live according to biblical principles, seeking to exhibit the fruit of the Spirit as we walk with each other. The following process is meant to guide us toward resolution and growth.

Regarding a Personal Grievance:

- Seek to resolve the matter in private discussion with the relevant faculty member.
- In such cases where this is not possible, appropriate, or wise, students are encouraged to bring another student, the Dean of Students, or the Academic Dean. (If the grievance is regarding sexual harassment or assault, the student should speak with the Title IX Coordinator.)
 - Note: Gordon-Conwell encourages students to dialogue with faculty members directly about grievances, but should that prove to be unadvisable, the student may bring his or her concerns to the Dean of Students (or equivalent person) without first going directly to the faculty member.
- After taking this step, if resolution is not reached, the matter should be referred in writing to the Academic Dean and Dean of Students of the specific campus (or equivalent person). Without written details, no action will be taken.
- The Dean will then refer the matter either to the Faculty Personnel Policies Committee (FPPC) or the Academic Affairs Committee (AAC) or both, depending on the nature of the grievance. In principle, academic matters are referred to the AAC and personnel matters to the FPPC. Either committee may enlist the work of a subcommittee to investigate the particulars and recommend action. When a subcommittee is used, the full committee shall act on the grievance, with written conclusions given both to the faculty member and the student (with a copy to the Academic Dean and Dean of Students). The decision of the committee shall be final; however, in the case of procedural inconsistency or new information, the matter can be appealed to the Academic Dean and, if necessary, the Provost.

Regarding Grades or Academic Performance:

As stated above, the matter first shall be addressed by the student to the relevant faculty member. If resolution is not reached at that level, the student may enact the grade appeal process as described in the Academic Catalog.

Hazing

Gordon-Conwell Theological Seminary is in compliance with the Commonwealth of Massachusetts legislation prohibiting the practice of hazing.

According to North Carolina law (NCGS § 14-35):

“It is unlawful for any student in attendance at any university, college or school in this State to engage in hazing, or to aid or abet any other student in the commission of this offense. For the purposes of this section Hazing is defined as follows: ‘to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group including any society, athletic team, fraternity or sorority, or other similar group.’ Any violation of this section shall constitute a Class 2 misdemeanor.”

The following is a copy of Chapter 269, Sections 17, 18, and 19 of the general laws of the Commonwealth of Massachusetts regarding hazing. The Board of Regents of Higher Education has stipulated that this information must be distributed to all full-time students and student group leaders. **Violators of these regulations will be disciplined in accordance with harassment procedures as set forth in this handbook.**

269.17. Hazing Prohibited; Definition; Penalties

[Text as amended by 1987, 665 effective April 4, 1988. For text effective until April 4, 1988, see 1986 edition.]

Section 17. Whoever is a principal organizer or participant in the crime of hazing, as defined herein, shall be punished by a fine of not more than three thousand dollars or by imprisonment in a house of correction for not more than one year, or both such fine and imprisonment.

The term “hazing” as used in this section and in sections 18 and 19, shall mean any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity, which is likely to adversely affect the physical health or safety of any such student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation.

Notwithstanding any other provisions of this section to the contrary, consent shall not be available as a defense to any prosecution under this action.

269.18. Failure to Report Hazing; Penalty.

[Text as amended by 1987, 665 effective April 4, 1988. For text effective until April 4, 1988, see 1986 edition.]

Section 18. Whoever knows that another person is the victim of hazing as defined in section 17 and is at the scene of such crime shall, to the extent that such person can do so without danger or peril to himself or others, report such crime to an appropriate law enforcement official as soon as reasonably practical. Whoever fails to report such crime shall be punished by a fine of not more than \$1,000.

269.19. *Notification by Schools of Hazing Law; Report by Schools; Disciplinary Policy.*

[Text as amended by 1987, 665 effective April 4, 1988. For text effective until April 4, 1988, see 1986 edition.]

Section 19. Each institution of secondary education and each public and private institution of post-secondary education shall issue to every student group, student team, or student organization which is part of such institution or is recognized by the institution or permitted by the institution to use its name or facilities or is known by the institution to exist as an unaffiliated student group, student team, or student organization, a copy of this section and sections 17 and 18; provided, however, that an institution's compliance with this section's requirements that an institution issue copies of this section and sections 17 and 18 to unaffiliated student groups, teams or organizations shall not constitute evidence of the institution's recognition or endorsement of said unaffiliated student groups, teams, or organizations.

Each group, team, or organization shall distribute a copy of this section and sections 17 and 18 to each of its members, plebes, pledges, or applicants for membership. It shall be the duty of each such group, team, or organization, acting through its designated officer, to deliver annually to the institution an attested acknowledgment stating that such group, team, or organization has received a copy of this section and said sections 17 and 18, that each of its members, plebes, pledges, or applicants has received a copy of sections 17 and 18, and that such group, team, or organization understands and agrees to comply with the provisions of this section and sections 17 and 18.

Each institution of secondary education and each public or private institution or post-secondary education shall, at least annually, before or at the start of enrollment, deliver to each person sections 17 and 18.

Each institution of secondary education and each public or private institution of post-secondary education shall file, at least annually, a report with the regents of higher education and in the case of secondary institutions, the board of education, certifying that such institution has complied with its responsibility to inform student groups, teams, or organizations and to notify each full time student enrolled by it of the provisions of this section and sections 17 and 18 and also certifying that said institution has adopted a disciplinary policy with regard to the organizers and participants of hazing, and that such policy has been set forth with appropriate emphasis in the student handbook or similar means of communicating the institution's policies to its students. The board of regents and, in the case of secondary institutions, the board of education shall promulgate regulations governing the content and frequency of such reports, and shall forthwith report to the attorney general any such institution, which fails to make such report.

FINANCIAL INFORMATION

Educational Costs

A comprehensive outline of total student costs for the academic year, which includes tuition and living costs, as well as Seminary charges, can be obtained from the Financial Aid Office, or can be found [online](#) at the Tuition and Financial Aid webpage.

Medical Insurance

All students taking 6.0 or more credit hours per semester are required by the Commonwealth of Massachusetts to have medical insurance that meets State-mandated requirements.

The Seminary provides access to a group plan that meets these requirements. Students, however, may elect to purchase other insurance coverage on their own, but the plan must be “reasonably comprehensive and reasonably accessible” in comparison to Massachusetts requirements. The student must then certify this coverage through an online waiver form to opt out of the Seminary plan, thus relieving the Seminary of any responsibility for the student’s medical expenses. For information on the Seminary insurance plan, a brochure describing coverage and rates plus enrollment forms may be obtained from Registration Office or on the Seminary’s website under “[Student Health Insurance](#).”

The following are the 2025/2026 costs for the Seminary health insurance.

	Annual Students	New Spring Students
Coverage Dates	9/1/2025 – 8/31/2026	1/1/2026 – 8/31/2026
Insurance Costs	\$9.977 (billed \$3,329 in Fall and \$6,648 in Spring)	\$6.653
Waiver/ Enrollment Deadlines	9/20/2025	1/31/2026

Payment of Bills

There are various payment deadlines for the Fall, Spring, and summer semesters. Please be aware that there are fees and/or account holds associated with these deadlines. Any student not paid in full by the deadline will be assessed a payment plan fee and subject to in-semester payment plan deadlines. Any missed payment plan deadline can result in a late payment fee. If they are not paid in full by the end of the billing cycle, students will receive a non-payment fee, risk deregistration for future coursework, are ineligible for future registration, may be restricted in access to diplomas, and are at risk of being sent to collections (this includes remaining balances on withdrawn courses). To avoid collections, a student must set up an official payment plan with the Seminary. If your account is sent to collections, the student will be responsible to reimburse Gordon-Conwell the fees of any collection agency, which may be based on a percentage at a maximum of 33 1/3% of the debt, and all cost and expenses, including reasonable attorney's fees we incur in such collection efforts. Please view the *Payment Deadlines* on the [Student Accounts website](#) for specific dates and details and refer to the *Student Accounts* section of the handbook for payment options.

Student Services Fee

Students will be charged a student services fee for each semester in which they enroll (*see Financial Information* for the exact amounts of the fees). These fees are charged only once for each semester a student is enrolled, regardless of how many courses are taken. These fees will not be refunded for students who withdraw from all courses after the 100% tuition/fee refund deadline (*see the Academic Calendar* on the Registration website).

Tuition Refund Policies

Not attending classes does not guarantee a refund. Formal application for drop/withdrawal must be made to and approved by the Registrar's Office. A student who withdraws totally from the Seminary after registration without advice and consent of the Registration Office, or who is dismissed, will receive no refund of tuition. Tuition refunds will be given for dropping individual courses according to the [Academic Calendar](#). The Registration Office must approve dropping/withdrawing the course(s) before any refund will be given. Doctor of Ministry students are enrolled in 15-16 credits each year which is billed on a quarterly basis. Students withdrawing from the DMin will not be refunded past charges but will not be charged for future quarters in which they are not enrolled.

Gordon-Conwell utilizes two refund calculations: *Federal* and *Institutional*.

Federal: The 1998 Reauthorization of the Higher Education Act changed the way Gordon-Conwell calculates student refunds when a student withdraws or otherwise fails to

complete the period of enrollment for which he or she was charged. The law requires that, when you withdraw during a payment period or period of enrollment, the amount of Title IV assistance that you have earned up to that point is determined by a specific formula. If the student withdraws or stops attending classes before completing 60% of the semester or session, a portion of the total Federal aid received, excluding Federal Work-Study earnings, may need to be repaid.

The amount of assistance that you have earned is determined on a pro-rata basis. That is, if you completed 30% of the payment period or period of enrollment, you earn 30% of the assistance you originally were scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all of your assistance. The withdrawal date or last day of attendance for implementing this refund policy is the date the student formally submits an application for withdrawal to the Registration Office. If the student fails to notify the Registration Office of the intent to withdraw, the midpoint of the payment period or period of enrollment will be used in the refund calculation.

The amount of federal aid that the student must repay is determined via the “Federal Formula for Return of Title IV Funds.” The refund policy applicable to Gordon-Conwell refers to the return of student loan funds from unsubsidized Federal Stafford loans and Federal Perkins loan funds. The law specifies the order that the funds will be returned beginning with the unsubsidized loan funds first.

The student may be required to make a repayment when cash has been disbursed from financial aid funds in excess of the amount of aid that was earned based on the date of the total withdrawal. The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than Federal Work-Study) for which the student qualified by the percentage of time during the term that the student was enrolled.

- If less aid was disbursed than was earned, you may receive a late disbursement for the difference.
- If more aid was disbursed than was earned, the amount of Title IV aid that you must return (i.e., not earned) is determined by subtracting the earned amount from the amount actually disbursed.

The responsibility for returning the unearned Title IV aid is shared between the Seminary and the student. It is allocated according to the portion of disbursed aid that could have been used to cover Seminary charges, and the portion that could have been disbursed directly to the student once those charges were covered. Gordon-Conwell will distribute the unearned aid back to the Title IV programs, as specified by law. The student will be responsible for returning any funds that were disbursed directly to the student and which the student was determined to be ineligible for based on the “Federal Formula for Return of Title IV Funds.”

Institutional: Under the institutional refund calculation, only tuition charges are considered. Refunds for room and board will be pro-rated on a weekly basis if the withdrawn student's tuition refund is determined to be institutional. Please refer to the Seminary's Academic Calendar on the registration website for specific dates and details.

HAMILTON CAMPUS INFORMATION

At the GCTS Residential Campus, there are additional guidelines and policies relevant to the Hamilton Campus.

Automobile Information and Parking

General Parking Information

(For complete information on vehicle registration and parking, see [Campus Safety Guide to Automobile & Public Safety Regulations](#).)

All residential vehicles must register with the Mailroom. Any vehicle a master's-level student brings onto campus must be registered with the Mailroom within the first two days

it is on campus. You will be issued a Gordon-Conwell sticker and instructions for placing it on your vehicle. (See the Campus Safety handbook for further information.) Vehicles with out-of-state license plates also are required by State law to fill out a second form attesting to the fact that you have adequate insurance to drive in Massachusetts. The Mailroom has these forms and will issue the second sticker.

All apartment buildings on campus use assigned parking spaces. If you are visiting the apartments, use the marked visitor parking spaces only. Visitor parking at the apartments is reserved exclusively for the use of visitors from 9:00am–9:00pm, seven days a week. Dormitories do not use assigned parking spaces. All overnight parking for dormitory residents is in their dormitory parking lot. (Kerr Building overnight parking is in the upper and lower parking lots behind the Kerr Building). The parking lot in front of Kerr Building has assigned parking for visitors. Please observe these distinctions. They apply Monday through Friday, 8:00am–5:00pm whenever school is in session.

Handicap Parking

Handicap parking spaces are available around each campus and other locations where classes are held. These spaces are reserved for the exclusive use of vehicles actively transporting handicapped people. An official handicap sign or placard is required and must be visible. For the Hamilton campus, temporary handicap parking passes for short-term use on the Seminary property only are available from the Mailroom/Student Life for members of the Seminary community.

Additional Information

It is the policy of Gordon-Conwell Theological Seminary that all Massachusetts motor vehicle laws (as defined in M.G.L. Chapter 90) will be observed on campus. The Gordon Campus Police will enforce the observance of these laws to ensure the safety of campus drivers and pedestrians.

To that end, on Wednesdays, we are inviting the local Gordon-Conwell community to practice a rhythm of Life Together, characterized by prayer, worship, and fellowship. This is a day to be intentionally present with one another and aware of one another in the presence of the Triune God. Be known, be present, be together! For more information, go to the Life Together Wednesdays [webpage](#).

Game Room (Hamilton)

Students can take a break and enjoy a game of ping-pong, foosball, or pool in our game room located on the Mezzanine level of the Pierce Great Hall. We also have bins full of board games for student use in the Mezzanine or Great Hall.

Housing Services (Hamilton)

Application forms for on-campus housing are located on the GCTS website under Housing. Campus housing consists of both dormitory and apartment accommodations. On-Campus Housing is voluntary and intended to be a rich, multi-faceted, intentional community. In order to more fully maximize this blessing, residents are expected to seek the good of others and to abide by the guidelines for on-campus community life. For more information, please see the [Housing webpage](#).

Apartments

There are about 200 apartments on campus. Married students have priority for apartment housing, but single students are offered apartments as well depending on availability since they also have the dormitory option. Our hope is to provide on-campus housing for as many students as possible. The apartments are located within six buildings comprised of studio, one-bedroom, two-bedroom, three-bedroom and a very limited number of four-bedroom apartments. They are equipped with a stove, refrigerator, and some have air conditioning. You need to purchase your own Wi-Fi. Parking (one assigned space per apartment, extra unassigned parking is available), laundry facilities, and a small storage area are included in the apartment buildings. Garden plots are available for a fee on a seasonal basis. The Seminary does not provide furnished apartments.

Dormitories

Campus housing presently includes furnished dormitory housing for about 55 men and 35 women. Dormitory rooms for single students include single and double rooms with year-round availability. Students living in the dorm share kitchen facilities with their fellow dorm mates, so each resident will contribute to a clean and healthy communal eating/lounge space.

Residence Life Coordinators

Each apartment building and dormitory hall is assigned its own Residence Life Coordinator (RLC), who serves as a liaison to Student Life Services to promote community among the residents by providing opportunities for encouragement and fellowship. Residents have the opportunity to join with and participate in a diverse community, where the love and joy of the Lord can be experienced and shared. The *Community Life Statement* serves as the standard for establishing and maintaining a healthy community in each apartment building

and dormitory. The *Housing Policy and Manual* in conjunction with the *Community Life Statement* serves to inform residents in their day-to-day living in community.

Commuter Rooms

The Seminary seeks to provide housing for commuter students who need overnight accommodations. Rooms will be assigned on a first-come, first-served basis. Commuter room availability is dependent on vacancies.

For all campuses, Cohort-Based Students should review the housing materials posted on the DMIN Program canvas site for hotels, discounted rates, other options, etc.

Guest Housing

Guest Housing is available for people who have an affiliation with the Seminary (i.e., student families, alumnus, speakers, etc.). We have one- and two-bedroom furnished apartments, as well as a men's dorm and dorm suites, available to rent. To check availability, please go to <https://www.gordonconwell.edu/hamilton/community/housing/guest-housing/>. Please be advised, reservations are not guaranteed until a **confirmation email** is received. For questions regarding Guest Housing, please send an email to guesthousing@gordonconwell.edu.

Dumpsters

Dumpsters are provided close to each building. Nothing should be dumped around the dumpster. Please dispose mattresses, couches computer monitors and towers, TVs, personal microwaves, personal refrigerators, and personal air conditioners at suitable recycling/disposal centers off-campus. Please click this link to properly dispose of all items listed: <https://www.hamiltonma.gov/government/department-public-works/trash-organics-recycling-yard-waste-disposal-information/trash-information/>

Mail Services (Hamilton)

Mail Delivery and Pickup

The Seminary mailroom processes mail from the U.S. Postal Service (USPS) and other delivery companies, such as UPS, FedEx, Amazon, etc. Mail is picked up from the South Hamilton Post Office in the morning Monday through Saturday (excluding holidays) and distributed to campus mailboxes by 11:00am. Mail from other carriers arrives at varied times throughout the day. Outgoing mail is picked up at approximately 2:00pm, except on Sundays and Federal holidays.

Intra-Seminary Mail

There is a drop box for mail delivery to Seminary students and to faculty and staff that is emptied and delivered to campus mailboxes periodically throughout the day. Whenever

distribution must be made to more than five students, please fasten the bundle together in box number order. No individual student or group of students has the privilege of a multiple distribution of material through the campus mail. Inquiries on this matter shall be directed to the Dean of Students in Student Life Services. Students are responsible for reading and responding to administrative notices placed in their boxes.

Hours and Services

The mailroom will be open for business from 9:00am-4:00pm, Monday-Friday. Hours may vary during the summer. Many of the same items and services purchased at a Federal post office can be purchased in the mailroom, including stamps, priority mail, express mail, media mail, and certified mail services. Students may send or receive faxes in the mailroom. For complete information about mailroom services and prices, please contact the mailroom at 978-646-4043 during business hours, or by [email](#).

Addresses on Campus

In compliance with State laws, all students will be assigned a campus mailbox that will be used to deliver intra-campus and USPS mail. In order to be sure that their mail is delivered in a timely fashion, students should adhere to the following USPS address standards:

Name
130 Essex St, Box #
South Hamilton, MA 01982

Students living in the on-campus apartments and dorms also will have a residential address assigned by the Housing Office. The residential address is important for voting purposes.

Apartment Address Example

Name
6 A.J. Gordon Court, Apt. #
South Hamilton, MA 01982

Dorm Address Example (Do Not List Hall Name)

Name
30 Billy Graham Way, Room #
South Hamilton, MA 01982

If a student has a cell phone, the apartment address must be used as the primary address to that cell phone provider, so in the event of an emergency, 911 dispatchers for the Town of Hamilton have an accurate location for any emergency. However, it is recommended for all other incoming mail that the student use their 130 Essex St. address with their campus box number.

All packages (USPS, UPS, Federal Express, etc.) are delivered to students' campus mailboxes for pickup at the window, not at their apartments.

Change of Address

It is vital that the Seminary have the students' correct mailing address at all times. If, during his or her Seminary career, a student moves or is on a leave of absence, it is imperative that

the proper information be given to the mailroom on a change of address form (obtainable from the mailroom during business hours) or on the [Mail Services webpage](#). At that point, all first-class mail will be forwarded; however, intra-campus mail, third-class mail, and packages sent through carriers other than USPS (UPS, FedEx, Amazon, etc.) cannot be forwarded and will be returned to the sender. Students who are away for the summer may have first-class mail forwarded, and intra-campus and third-class mail will be held until they return.

Closing of Mailboxes

Any Gordon-Conwell mailbox belonging to a graduating senior (if the student has not closed the box already) will be closed on July 1st following the date they have graduated, unless they have re-enrolled for another degree. It is the student's responsibility to notify the mailroom of his or her enrollment in another degree. If a student is not registered for a classroom course in a given semester, their mailbox will be closed after the registration period ends, unless special arrangements are made with the mailroom.

If a student's absence will be longer than one semester, the box will remain closed. Upon re-registration, the student must sign up with Mail Services for a new campus mailbox. There is no guarantee that the student will be assigned the same box. Students taking courses exclusively online or Doctor of Ministry courses will not be assigned a mailbox.

It is the student's responsibility to check his or her campus mailbox regularly, since it is the primary form of communication between the Seminary and the student. If a student's box has been closed, the student is personally responsible for contacting all necessary Seminary departments.

Please note that all returned schoolwork that has not been retrieved prior to closing a mailbox will be sent to the Registration Office to be held for a period of up to one year. After that period, all material will be destroyed. The student will be personally responsible for retrieving this material.

Notary Public (Hamilton)

Students who need the services of a Notary Public may inquire in Kerr 378 to make an appointment with [Dorrie Smith](#), or with [Laura Carmer](#), or call 978-646-4035.

Office Hours (Hamilton)

The Hamilton campus administrative offices are open from 8:00am-12:00pm and 1:00pm-4:30pm, Monday-Friday. During the summer months, offices typically close at 1:30pm on

Friday. Occasionally, the hours of operation for an office will vary. In such cases, the hours will be posted at that office.
