June 8 Thu Perga - Museum - Antalya

Visit Perge, where Paul landed after sailing from the island of Cyprus during his first missionary journey (Acts 14:13-14). That Perge was a wealthy city is still easily seen today from its 15,000-seat theatre, 12,000-seat stadium, Hellenistic gate with its "Twin Towers," baths with under-floor heating, colonnaded marketplace, water fountains, and impressive colonnaded street with a flowing water channel in the middle. Then visit the Archaeological Museum. Dinner and overnight at the hotel in Antalya. (B,D)

Attalia

June 9 Fri Antalya - Colossae, Laodicea, Hierapolis - Pamukkale

Drive to the Lycus Valley where three important biblical cities are to be found: Colossae, Laodicea, and Hierapolis. Our first stop in Colossae will be brief, since this site has not yet been excavated. Our second stop is Laodicea, where excavation work is going fast. Laodicea is not only the last of the seven churches to whom John directed the book of Revelation (Rev. 3:14-22), but it also had a close relationship with the nearby churches of Colossae and Hierapolis (Col. 4:13-15) and was the recipient of one of Paul's now lost letters (Col. 4:16). Our last stop is to Hierapolis, where we will also see the Martyrium of St. Philip, a 5th century AD structure on the site where Philip—either the apostle or the evangelist (Acts 6:1-7; 21:8-9; Acts of Philip)—was believed to have been killed in AD 80. Overnight in one of the nearby modern resorts of Pamukkale whose thermal baths are sure to revive your tired body! (B,D)

June 10 Sat Aphrodisias - visit Sebasteion and Museum - Kusadasi

Drive to Geyre to visit the ancient city of Aphrodisias, excavated by the New York University. The city's earlier name was Stavros (Cross). The archaeologists named it Aphrodisias due to the record number of Aphrodite statues found on site. We will also visit the Sebasteion, (or Augusteum) excavated in 1979-81, was a grandiose temple complex dedicated to Aphrodite and the Julio-Claudian emperors. After visiting the Aphrodisias Museum, we will head to Kusadasi on the shores of the Aegean Sea. Dinner and overnight at the hotel in Kusadasi. (B,D)

June 11 Sun Miletus - Didyma - Priene - Kusadasi

A short drive brings us to Miletus which, due to its four harbors and strategic location on the Aegean coast of Asia Minor, became one of the great cities of commerce in the ancient world. Of the surviving buildings, the finest is the 15,000-seat theatre originally built in the Hellenistic period and expanded in Roman times. Paul stopped in Miletus on the return leg of his third missionary journey where he summoned the elders from Ephesus to meet with him and hear his poignant farewell speech (Acts 20:17-35). Before departing Miletus, we will visit briefly its small but informative archaeological museum. Some 10 miles away, visit Didyma, not a city but religious site devoted to Apollo. After visiting the Temple of Apollo at Delphi we will drive to the nearby city of Priene located on a cliff-side. Return to Kusadasi for dinner and overnight. (B,D)

June 12 Mon Ephesus - Kusadasi

Today we will visit the famous ancient city of Ephesus. Ephesus was also the site of the Artemis temple—one of seven wonders of the ancient world. There is the same theatre where some 24,000 citizens of Ephesus gathered shouting "Great is Artemis!" in a riot started in response to Paul's ministry there. The apostle visited this city only briefly during his second missionary journey (Acts 18:18-21) but returned during his third missionary journey for a much longer period of two years and three months (Acts 19:1-20:1). Timothy later served as pastor in this city during which time Paul wrote him two letters (1 & 2 Timothy). Some years later Ephesus served as the home base for the apostle John's ministry from where he wrote a number of letters (1, 2, 3 John) and to which he sent the Book of Revelation. In addition to the ancient city, we will also visit the "slope houses" (the wealthiest homes in Ephesus that have been marvelously reconstructed), the Ephesus Museum, which houses several impressive items from this site, and the Basilica of St. John. Dinner and overnight in Kusadasi. (B,D)

June 17 Sat **Cenchreae, Corinth, Mycenae, special dinner at Nauplion - Athens**
After breakfast we will drive to Corinth, the city where Paul met Aquilla and Priscilla, the tent makers, and where the Lord spoke to Paul by a vision saying, "I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city" (Acts 18: 10). Here, Crispus, the chief ruler of the synagogue believed in the Lord, and many Corinthians as well hearing Paul, believed and were baptized (Acts 18:8); thus, began the church at Corinth to whom Paul wrote two epistles. Visit the Archaeological Museum, the Market Place and Temples. Walk among the ruins and stand on the Bema where Paul stood before Gallio facing charges brought by the Jews that were dropped. Paul stayed a while in Corinth before leaving for Syria from the port at Cenchreae (Acts 18: 12-18). In the afternoon, we will visit the archaeological site of Mycenae, the birthplace of Agamemnon and Menelaus from Homer's Iliad. Dinner in Nafplio by the water before returning to Athens.
