From Campus Entrance to Admissions Office

From the main entrance of campus, drive left at both forks in the road. When you arrive at the top of the hill, there will be a large building with a steeple on your left. This is called the Kerr building and is where you will find the Admissions Office. Turn left into the large parking lot in front of the Kerr building, and park by the main entrance in the corner. Go into that entrance, then take a right down the hallway. You will see the cafeteria on your right, and our office is directly across.
