

GORDON CONWELL
THEOLOGICAL SEMINARY

Our Mission Still Matters

Dear Friends of Gordon-Conwell,

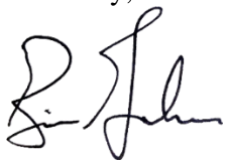

Gordon-Conwell continues to equip diverse and devoted Christian leaders for Kingdom ministry. Pastors, counselors, scholars, teachers, writers, missionaries, artists, evangelists, and more. Over 1,100 of them are being equipped biblically, theologically, spiritually, practically, and financially. This is true for students studying in residence at our Hamilton campus. This is true for those pursuing an urban focus at our Campus for Urban Ministerial Education in Boston (CUME). And this is true for those seeking their Gordon-Conwell master's and doctoral degrees online and in cohorts across North America and around the world. They will join 12,000 alumni serving in all 50 US states and 100 nations around the world.

Your support makes this mission possible. Large and small, your giving contributes to nearly \$7 million in scholarships we provide students each year. It ensures the leaders we prepare serve their calling and not their debt. Thank you for your generosity!

Why should Gordon-Conwell continue to prepare Christian leaders and you help provide them support? Because of the multitude of existing Kingdom ministry opportunities to shepherd Christians and reach the unreached. Because God continues to call faithful men and women to this task. Because Gordon-Conwell is pivoting in ways that will make this education even better. Because we strive toward the vision of Revelation 7 where people of many languages worship one Lamb with no tears.

May you be encouraged by the Kingdom impact you help make possible through your giving to Gordon-Conwell. We certainly are!

Gratefully,

Brian J. Gardner, Ph.D.
Vice President of Advancement
