"Some of my Partners simply replied, 'Of course I'll give; how much do you need?' Another on a fixed income crunched the numbers and found a way to give an amount some spend on daily coffee. It was deeply humbling and strongly encouraging to know they believe in me and my calling."

Partnership PROGRAM

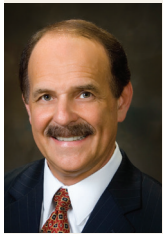

GORDON  CONWELL
THEOLOGICAL SEMINARY

STUDENT INFORMATION

An Invitation from the President

When God calls you into service—and then to attend seminary—He will supply all of your needs through His people. Paul makes this promise clear in Philippians 4:18–19. And I’ve seen God fulfill His promise again and again through the Partnership Program here at Gordon-Conwell Theological Seminary.

As a student in the Partnership Program, you will receive a full-tuition scholarship.

Alongside your biblical and theological education, you’ll learn how to build a network of friends and family who believe in your calling and commit to support you financially and prayerfully. Through

the monthly updates you share, this special team will also celebrate ministry milestones with you and pray for your specific needs.

By the time you graduate, you’ll also understand how to handle your personal finances and manage fundraising for a ministry or church. These skills are rarely taught as part of a seminary degree, and yet they are absolutely necessary for survival in the ministry.

Ultimately, you will be fully prepared for a lifetime of fruitful Christian service and enter the ministry less encumbered by educational debt.

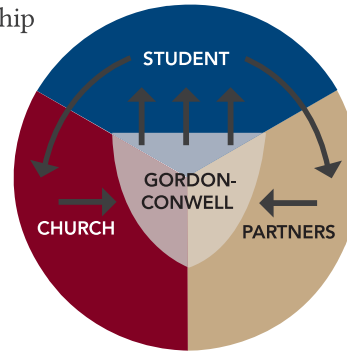

Please read this information carefully. Pray and ask God how He would have you participate in the Partnership Program. Then, if you feel so led, contact us for an application.

May God bless you and your future ministry!

Dennis P. Hollinger
President
