TEAM MINISTRY GRANT APPLICATION INFORMATION Doctor of Ministry

GENERAL INFORMATION

Married Doctor of Ministry candidates may be considered for Gordon-Conwell team ministry grant assistance. However, you are encouraged to first seek the assistance of your church for the financing of your studies as a part of your continuing education for effective ministry. Where appropriate, seek assistance from denominational sources, also.

If you would like the Director of the Doctor of Ministry program to send a letter to your church, ministry, or denomination, please contact Bridget Erickson at berickson@gordonconwell.edu or 978-646-4132.

APPLICATION PROCEDURE FOR GRANT CONSIDERATION

Step 1 Submit to the Doctor of Ministry Student Accounts Office at 130 Essex Street, South Hamilton, MA 01982: A letter requesting consideration for the Team Ministry Grant, detailing significant aspects of your ministry experience and your future ministry goals. Each spouse must sign this letter.

Step 2 Submit to the Doctor of Ministry Student Accounts Office at 130 Essex Street, South Hamilton, MA 01982: the [Financial Aid Application](#). In submitting the anticipated financial support and expense figures, please provide the figures for one academic year for both spouses.

AWARD NOTIFICATION

The Director of the Doctor of Ministry Program will make recommendations for the scholarship in consultation with the financial aid office. You will receive written notification once your completed file has been reviewed. Final action and award notification is made when the prospective student spouses are accepted for admission to the Doctor of Ministry program and matriculate to become enrolled students. A student receiving scholarship assistance will have the funds posted to the student account at the time of a residency period. The funds cannot be withdrawn from the account but will remain as a credit toward future billing.
